Dear Interested and/or Affected Party

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 08 AUGUST 2014 FOR THE PROPOSED 75MW PV3 PHOTOVOLTAIC ENERGY FACILITY ON THE REMAINDER OF PORTION 4 OF THE FARM KLIPGATS PAN NO. 117, NEAR COPPERTON, SITUATED WITHIN THE SIYATHEMBA LOCAL MUNICIPALITY, NORTHERN CAPE PROVINCE (DEA REF NO.: 14/12/16/3/3/2/487/AM4)

Notification of Amendment of the Environmental Authorisation

This letter serves to notify all registered Interested and Affected Parties (I&APs) of the Department of Environment, Forestry and Fisheries' (DEFF's) (previously known as the Department of Environmental Affairs (DEA)) decision in respect of the application for amendment of the Environmental Authorisation (EA) issued on 8 August 2014, as amended, for the 75MW PV3 photovoltaic energy facility on the Remainder of Portion 4 of the Farm Klipgats Pan No. 117 near Copperton in the Northern Cape Province. Furthermore, the provisions regarding the submission of appeals that are contained in the National Environmental Management Act (NEMA) (No. 107 of 1998) National Appeal Regulations (2014), are also outlined herein, should an I&AP wish to appeal DEFF's decision.

1. Decision

We wish to inform you that, based on a review of the reasons submitted by Klipgats Solar PV3 (Pty) Ltd for requesting an amendment to the abovementioned Environmental Authorisation (EA) (i.e. an extension of the validity period of the EA) that DEFF, in terms of Chapter 5 of the EIA Regulations, 2014, as amended, **has decided to amend the EA dated 8 August 2014, as amended**, as follows:

Amendment 1: Amendment to extend the validity period of the EA:

Condition of Authorisation 6 of the EA, as amended, stated the following:

The activity must commence within a period of three (03) years from the date of expiry of the EA issued on 08 August 2014 (i.e. the EA lapses on 08 August 2020). If commencement of the activity does not occur within that period, the authorisation lapses and a new application for environmental authorisation must be made in order for the activity to be undertaken.

DEFF has granted a four year extension to the validity period of the EA. In this regard, the EA has been amended by DEFF as follows:

*“The activity must commence within a period of **four (04) years** from the date of expiry of the EA issued on 08 August 2014 (expiring on 8 August 2020), is now extended to **8 August 2024**. If commencement of the activity does not occur within that period, the environmental authorisation lapses and a new application for environmental authorisation must be made in order for the activity to be undertaken”.*

DEFF’s amendment to the EA, dated 10 August 2020, is included in Annexure A herewith for your information¹.

2. Right to Appeal

We would like to draw your attention to your right to appeal against the decision to the Minister, in terms of the National Appeal Regulations (2014) (Government Notice No. R993) which prescribes the appeal procedure to be followed. Dear Mr Morse

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 8 AUGUST 2014 FOR THE PROPOSED 75MW PV3 PHOTOVOLTAIC ENERGY FACILITY ON THE REMAINDER OF PORTION 4 OF THE FARM KLIPGATS PAN NO. 117, NEAR COPPERTON, SITUATED WITHIN THE SIYATHEMBA LOCAL MUNICIPALITY, NORTHERN CAPE PROVINCE

The Environmental Authorisation (EA) issued for the abovementioned application by this Department on 8 August 2014, your application for amendment of the EA received by the Department on 17 July 2020 and the acknowledgement letter dated 27 July 2020., refer.

Based on a review of the reason for requesting an amendment to the above EA, this Department, in terms of Chapter 5 of the Environmental Impact Assessment Regulations, 2014 as amended, has decided to amend the EA dated 8 August 2014 as amended, as follows:

Amendment: Extension

- i. The activity must commence within a period of **four (4) years** from the date of expiry of the EA issued on 8 August 2014 (expiring on 8 August 2020), is now extended to **8 August 2024**. If commencement of the activity does not occur within that period, the environmental authorisation lapses and a new application for environmental authorisation must be made in order for the activity to be undertaken
- ii. This correspondence is only for the extension of the validity period as stated herein above and all conditions set out in the Environmental Authorisation dated 8 August 2014 remain unchanged and must be adhered to.

Reasons the amendment:

The reason for the extension of validity period of the EA is due to the highly competitive nature of the Department of Minerals Resources and Energy's (DMRE) Renewable Energy Independent Power Producer Procurement Program (REIPPP) and the prolonged 5 year delay in issuing the next procurement Bid Window 5 Request For Proposals (RFP), with the last awarded Bid Window 4 having only occurred in 2014. This 5 year gap has resulted

in no new Preferred Bidder projects being awarded contracts and therefore prevented the ability of this project to compete in a competitive tender process, be selected and ultimately constructed as planned.

The Department is aware that the environment changes constantly, as a result it might be significantly different from the one that existed at the time of the issuing of this EA, hence the validity of the EA cannot exceed a maximum period of 10 years. Failure to commence with construction activities within the maximum 10 year period, your EA will be deemed to have lapsed and a new application for Environmental Authorisation will have to be lodged.

This proposed amendment letter must be read in conjunction with the EA dated 8 August 2014 as amended.

In terms of the Promotion of Administrative Justice Act, 2000 (Act No 3 of 2000), you are entitled to the right to fair, lawful and reasonable administrative action; and to written reasons for administrative action that affects you negatively. Further your attention is drawn to the provisions of the Protection of Personal Information Act, 2013 (Act no. 4 of 2013) which stipulates that the Department should conduct itself in a responsible manner when collecting, processing, storing and sharing an individual or another entity's personal information by holding the Department accountable should the Department abuses or compromises your personal information in any way.

In terms of Regulation 4(2) of the Environmental Impact Assessment Regulations, 2014, as amended (the EIA Regulations), you are instructed to notify all registered interested and affected parties, in writing and within 14 (fourteen) days of the date of the EA, of the Department's as well as the provisions regarding the submission of appeals that are contained in the Regulations.

Your attention is drawn to Chapter 2 of National Environmental Management Act, 1998 (Act No. 107 of 1998) National Appeal Regulations published under Government Notice R993 in Government Gazette No. 38303 dated 08 December 2014 (National Appeal Regulations, 2014), which prescribe the appeal procedure to be followed. Kindly include a copy of this document (National Appeal Regulations, 2014) with the letter of notification to interested and affected parties in this matter.

Should any person wish to lodge an appeal against this decision, he/she must submit the appeal to the appeal administrator, and a copy of the appeal to the applicant, any registered interested and affected party, and any organ of state with interest in the matter within 20 days from the date that the notification of the decision was sent to the registered interested and affected parties by the applicant; or the date that the notification of the decision was sent to the applicant by the Department, whichever is applicable.

Appeals must be submitted in writing in the prescribed form to:

The Director: Appeals and Legal Review of this Department at the below mentioned addresses.

By hand: Environment House
473 Steve Biko Road,
ARCADIA,
Pretoria,

By post: Private Bag X447,

MS

Please note that in terms of Section 43(7) of the National Environmental Management Act, Act No. 107 of 1998, as amended, the lodging of an appeal will suspend the environmental authorisation or any provision or condition attached thereto. In the instance where an appeal is lodged, you may not commence with the activity until such time that the appeal is finalised.

To obtain the prescribed appeal form and for guidance on the submission of appeals, please visit the Department's website at https://www.environment.gov.za/documents/forms#legal_authorisations or request a copy of the documents at appeals@environment.gov.za.

Yours faithfully,
