Dear Ros

RE: APPLICATION TO ALTER HOUSE OVER 60 YEARS OLD

My clients Mr and Mrs Naidoo the owners of 107 Adelaide Tambo Road in Durban North, submitted an application to you in July 2011 to get permission to re-roof their house as well as to build a new double garage. This application was approved by you, (copy of permit attached). However the Ethekewini Municipality would not grant them permission for the double garage. The plan was never approved.

They now wish to build the garage at the rear of the property as shown on the plans. Due to the fact that the re-roofing of the house was not approved by the Ethekewini municipality we have shown it again on this new plan. I think that our previous permit from you has now lapsed so could you please include this approval with this application. You will see from your previous permit that this re-roofing has already been down and the R3000.00 fine was paid.

Please let me know if you require any further information in this regard.

Kind regards

ANNELI LUCKIN (MRS)
