Dear Stakeholders, Interested and Affected Parties (I&AP's)

ENVIRONMENTAL IMPACT ASSESSMENT (EIA) AND ENVIRONMENTAL MANAGEMENT PROGRAMME STUDY FOR THE PROPOSED NEW ROUTE P166-1/2 IN NELSPRUIT, MBOMBELA MPUMALANGA PROVINCE

Further to a number of comments we have received from Interested and Affected Parties wishing to comment on the Draft Scoping Report for the SANRAL P166 Road EIA regarding the study area maps, we would like to inform you that we are making a set of project maps available for download on the RoyalHaskoning/DHV website (on the same site as the that where the reports are available in <http://www.rhdhv.co.za/pages/services/environmental/current-projects> in order to allow stakeholders and I&APs to be able to see the proposed route and alternatives in detail. Kindly note the following maps have been made available for download:

- Study Area maps (overview and zoomed) with a 1:50 000 topographical (cadastral) map background
- Study Area maps (overview and zoomed) with an aerial image background

Kind regards
