Dear Mr Hine

PROVISION OF A TRUCK LOAD CONTROL SYSTEM AT THE WOESTALLEEN INTERCHANGE ON SECTION 4(C) OF THE MAPUTO DEVELOPMENT CORRIDOR

It is the intention of the South African National Roads Agency (SOC) Ltd and Trans African Concessions (Pty) Limited (TRAC) to construct a truck load control system at the Woestalleen interchange on section 4 (c) of the Maputo Development Corridor.

Chameleon Environmental was appointed to undertake the environmental studies on their behalf. Notice is hereby given in terms of the Environmental Impact Assessment Regulations of 18 June 2010 promulgated in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), that a Basic Assessment is conducted for the proposed development for submission to the National Department of Environmental Affairs (DEA). The reference number assigned to the project by DEA is 14/12/16/3/3/1/567.

Please refer to the Background Information Document and locality plan attached for the project. The entire project falls within the N4 road reserve and no archaeological sites or graves are encountered on the site.

Kindly forward your comments or enquiries regarding the above matter to the undersigned.

For more information, do not hesitate to contact me.

Regards

Dr Jenine Bothma
