We refer to your Interim Comment dated 26 August 2019 (attached hereto for easy reference).

Dr. John E. Almond of Natura Viva CC has been appointed to compile a Palaeontological Heritage Report. The recommendations of this report have been included into the second draft Environmental Impact Assessment and Environmental Management Programme Report (EIA/EMPR) document and uploaded unto the SAHRIS system for comment by SAHRA.

Take note that the EIA/EMPR has not been submitted to the Department of Mineral Resources (DMR) for evaluation. We will submit the report to the DMR once a Final Comment has been received from the South African Heritage Resources Agency. To allow us to keep to the submission dates as prescribed by the National Environmental Management Act, 1998 (Act No. 107 of 1998) we hereby humbly request that you provide your Final Comment within 30 days from this letter.
