Attention: Jenna Lavin

Re: Proposed Development of a Further Education Training (FET) College in Balfour, Mpumalanga.

Dear Jenna Lavin

This letter serves to notify you of the finalised Basic Assessment Report (BAR) for the Balfour FET College. Initially, the development footprint that was proposed included graves. However, as a result of many factors, the development footprint was changed. The new preferred layout still exists within the initial layout, however, it is much smaller now and importantly does not include the graves (Refer to Appendix D Heritage Impact Assessment).

The BAR has been amended for your review regarding the mention of graves.

Please contact the undersigned for any further queries pertaining to the project.

Yours faithfully

Nemai Consulting C.C.
