RE: Storage of palaeontological material

18 NOVEMBER 2022

I, Anders Johannes Hansen, Head of Department of the Globe Institute (University of Copenhagen), hereby consent to receiving and safely storing the palaeontological material associated with the European Union Horizon 2020 Marie Skłodowska-Curie Grant No. 101026951 entitled “Palaeogenomes of a lost world: Ancient bovids of the submerged Palaeo-Agulhas Plain of southern Africa”, being carried out by Gideon Jacobus de Jager at the Globe Institute. The material will be given appropriate space for storage and will be returned to the providing institutions in South Africa within six months of completion of the project.
