TO: Head, Proclamations Division **FROM:** Head, N. Cape Division
REF: 9/2/019/8 **DATE:** 30 March 1992
RE: Horse-Mill, Groot Kareebosfontein, Carnarvan District

1. My discussions with the owner of the above-mentioned property on 27 March refers.
2. The owner has undertaken to conserve the horse-mill but, in view of political developments, does not want to commit himself to the declaration of the property for the next few years.
3. Please pend this matter for a year. It is advisable, given the rarity and quality of this potential national monument, that Council's decision should not be revoked.
