Acceptance of your application does not grant you the right to commence with mining operations. Your application will be evaluated / processed and a recommendation on the issuing of the permit will be forwarded to the Minister or her delegate. Any person operating without a prospecting / mining right or mining permit will be in contravention of Section 5(4) of the MPRDA and would be guilty of an offence in terms of the relevant Act.

N.B Notwithstanding the fact that reasonable care was taken in verifying the existence of rights, permits and prior applications this office reserves the right to consider and/or effect the provisions of sections 9(1) (a), 9 (1) (b) and 16 (2) (b) of the Minerals and Petroleum Resources Development Act (Act 28 of 2002 as Amended).

Should it transpire at later stage that the area under application is encumbered by an old order right, the Department will be entitled to refuse this application based on the fact that an old order right for the same minerals, has already been granted to another entity, as the issuing thereof would be contrary to the provisions of the Minerals and Petroleum Resources Development Act, 2002 (Act 28 of 2002 as Amended).

Yours faithfully
