PER EMAIL / MAIL

Dear Mr Berlijn

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 29 NOVEMBER 2016 FOR THE CONSTRUCTION OF THE MEERKAT SOLAR POWER PLANT NEAR VRYBURG WITHIN THE NALEDI LOCAL MUNICIPALITY AND THE DR RUTH SEGOMOTSI MOMPATI DISTRICT MUNICIPALITY IN THE NORTH WEST PROVINCE

The Environmental Authorisation (EA) issued for the above-mentioned application by this Department on 29 November 2016, your application for amendment of the EA received by the Department on 28 July 2021 and the acknowledgement letter dated 29 July 2021, refer.

Based on a review of the reason for requesting an amendment to the above EA, this Department, in terms of Chapter 5 of the Environmental Impact Assessment Regulations, 2014 as amended, has decided to amend the EA dated 29 November 2016 as amended, as follows:

Amendment 1: Extension of the validity period of the EA

- i. The activity must commence within a period of five (5) years from the expiry date of the EA issued on 29 November 2016, which lapses 29 November 2021. The EA is now extended by an additional five (5) years which lapses on 29 November 2026. If commencement of the activity does not occur within that period, the authorisation lapses and a new application for environmental authorisation must be made in order for the activity to be undertaken.

Amendment 2: Change In Condition 14

From:

The final development layout map as submitted with the EIA dated August 2016 is not approved. The preferred development is located in an area with a high number of Camel Thorn trees; as such the layout plan must be submitted to the Department of Agriculture, Forestry and Fisheries for comments to determine adequate micro-siting of the facility.

M.S

To:

The final development layout map as submitted with the EIA dated August 2016 is not approved. The preferred development is located in an area with a high number of Camel Thorn trees; as such approval must be obtained from the Department of Forestry, Fisheries and the Environment (DFFE) for the removal of protected trees prior to the approval of the layout.

Amendment 3: Change in Condition 18.18:

From:

This map must reflect the proposed location of the turbine as stated in the EIA and this authorisation.

To:

This map must reflect the proposed location of the PV panel area as stated in the EIA and this authorisation.

Reasons for the amendments

The project supports a Photovoltaic solar energy facility which is intended to bid into future rounds of the Department of Mineral Resources and Energy (DMRE) Renewable Energy Independent Power Producers Procurement Programme (REIPPPP). It is expected that should the project be selected; construction will only commence after the validity of the EA has expired. Therefore, an extension of the EA validity is requested.

Reason for the change in Condition 14 is because the developer has received protected tree licenses from the Department of Forestry, Fisheries and the Environment for the removal of camel thorn trees on the site. This license is valid until 2025. Therefore, Condition 14 need to be updated to reflect the requirement for a permit rather than comment from Department of Forestry, Fisheries and the Environment prior to finalisation of the layout. Condition 18.18 erroneously referred to turbines (assuming a wind turbine) and therefore is required to be updated to refer to solar PV project.

The Department is aware that the environment changes constantly, as a result it might be significantly different from the one that existed at the time of the issuing of this EA, hence the validity of the EA cannot exceed a maximum period of 10 years. Failure to commence with construction activities within the maximum 10 years' period, your EA will be deemed to have lapsed and a new application for Environmental Authorisation will have to be lodged.

This proposed amendment letter must be read in conjunction with the EA dated 29 November 2016 as amended.

In terms of the Promotion of Administrative Justice Act, 2000 (Act No 3 of 2000), you are entitled to the right to fair, lawful and reasonable administrative action; and to written reasons for administrative action that affects you negatively. Further your attention is drawn to the provisions of the Protection of Personal Information Act, 2013 (Act no. 4 of 2013) which stipulates that the Department should conduct itself in a responsible manner when collecting, processing, storing and sharing an individual or another entity's personal information by holding the Department accountable should the Department abuses or compromises your personal information in any way.

In terms of Regulation 4(2) of the Environmental Impact Assessment Regulations, 2014, as amended (the EIA Regulations), you are instructed to notify all registered interested and affected parties, in writing and within 14 (fourteen) days of the date of the EA, of the Department's as well as the provisions regarding the submission of appeals that are contained in the Regulations.

Your attention is drawn to Chapter 2 of National Environmental Management Act, 1998 (Act No. 107 of 1998) National Appeal Regulations published under Government Notice R993 in Government Gazette No. 38303 dated 08 December 2014 (National Appeal Regulations, 2014), which prescribe the appeal procedure to be followed.

MS

Kindly include a copy of this document (National Appeal Regulations, 2014) with the letter of notification to interested and affected parties in this matter.

Should any person wish to lodge an appeal against this decision, he/she must submit the appeal to the appeal administrator, and a copy of the appeal to the applicant, any registered interested and affected party, and any organ of state with interest in the matter within 20 days from the date that the notification of the decision was sent to the registered interested and affected parties by the applicant; or the date that the notification of the decision was sent to the applicant by the Department, whichever is applicable.

Appeals must be submitted in writing in the prescribed form to:

The Director: Appeals and Legal Review of this Department at the below mentioned addresses.

By email: appeals@environment.gov.za

By hand: Environment House
473 Steve Biko Road
Arcadia
PRETORIA
0083. or

By post: Private Bag X447
PRETORIA
0001

Please note that in terms of Section 43(7) of the National Environmental Management Act, Act No. 107 of 1998, as amended, the lodging of an appeal will suspend the environmental authorisation or any provision or condition attached thereto. In the instance where an appeal is lodged, you may not commence with the activity until such time that the appeal is finalised.

To obtain the prescribed appeal form and for guidance on the submission of appeals, please visit the Department's website at https://www.environment.gov.za/documents/forms#legal_authorisations or request a copy of the documents at appeals@environment.gov.za

Yours faithfully,

Mr Sabelo Malaza
Chief Director: Integrated Environmental Authorisations
Department of Forestry, Fisheries and the Environment
