

NOTIFICATION OF BASIC ASSESSMENT PROCESS
AND PUBLIC PARTICIPATION PROCES

30 July 2018

Dear Stakeholder

Note: Sent to all Organs of state on the project Database.

**BASIC ASSESSMENT AND
PUBLIC PARTICIPATION PROCESS**

**MOEDING SOLAR PV FACILITY,
NORTH WEST PROVINCE**

NOTICE OF ENVIRONMENTAL BASIC ASSESSMENT PROCESS

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy generation facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

The solar energy facility is proposed to be developed on the Portion 1 of the Farm Champions Kloof 731, Portion 4 and the Remaining Extent of Portion 3 of the Farm Waterloo 730. The facility will include multiple arrays (static or tracking) of photovoltaic (PV) solar panels with a contracted capacity of up to 100MW. The development footprint for the facility is anticipated to be approximately 300ha in extent.

Infrastructure associated with the solar energy facility will include:

- » Arrays of PV panels (either a static or tracking PV system) with a contracted capacity of up to 100MW.
- » Mounting structures to support the PV panels.
- » Cabling between the project components, to be laid underground where practical.
- » On-site inverters to convert the power from a direct current to an alternating current
- » An on-site substation to facilitate the connection between the solar energy facility and the Eskom electricity grid.
- » A new 132kV power line between the on-site substation and the Eskom grid connection point.
- » Battery storage with up to 6 hours of storage capacity.

- » Offices and workshop areas for maintenance and storage.
- » Temporary laydown areas.
- » Internal access roads and fencing around the development area.

The power line corridor will be situated within the Remaining Extent of the Farm Rosendal 673, Portion 4 and the Remaining Extent of Portion 3 of the Farm Waterloo 730. Two grid connection alternatives are being considered:

- » Direct connection to the existing Mookodi Main Transmission Substation located on the northern portion of the project site.
- » A turn-in turn-out connection into the Mookodi - Magopela 132kV power line (to be constructed along the eastern boundary of the project site).

It is the developer's intention to bid the Moeding Solar PV Facility under the Department of Energy's (DoE) Renewable Energy Independent Power Producer Procurement (REIPPP) Programme. The power generated from the project will be sold to Eskom and will feed into the national electricity grid. The development of the project will also assist with the achievement of the electricity goals as set out in the Integrated Resource Plan.

BASIC ASSESSMENT PROCESS

The development of the Moeding Solar PV Facility requires that an application for Environmental Authorisation (EA) be submitted to the National Department of Environmental Affairs (DEA) as the Competent Authority (CA), in accordance with the National Environmental Management Act (No. 107 of 1998) (NEMA) and the provisions of the 2014 Environmental Impact Assessment (EIA) Regulations, as amended on 07 April 2017, published in GNR 324 to GNR 327. The North West Department of Rural, Environment and Agricultural Development (READ) is the Commenting Authority for this application.

The procedure to be followed in applying for environmental authorisation for a large-scale project in a REDZ was formally gazetted on 16 February 2018 (in GN113 and GN114). As the project is located within one of the eight REDZ areas, the Moeding Solar PV Facility is now subject to a Basic Assessment and not a full EIA process, as well as a shortened timeframe of 57 days for the processing of an Application for Environmental Authorisation by DEA.

Savannah Environmental (Pty) Ltd has been appointed as the independent Environmental Assessment Practitioner (EAP), responsible for undertaking the impact assessment process (Basic Assessment) to identify and assess all potential environmental impacts associated with the project for the area as identified. The Basic Assessment process will also recommend appropriate mitigation and management measures in an Environmental Management Programme (EMPr) for the project. As part of the Basic Assessment process, Interested and/or Affected Parties (I&APs) will be actively involved through the public participation process.

The department and/or the organisation which you represent has been identified as a commenting authority for the proposed Moeding Solar PV Facility. In this regard, please can you provide us with

the name and contact details of the relevant contact person at your department who we would liaise with regarding this project. By registering on the project database, you will receive all information relating to the project and will be provided with an opportunity to provide comment and input into the BA process.

Please do not hesitate to contact us should you require additional information and/or clarification regarding the proposed project. Our team welcomes your participation and looks forward to your involvement throughout this process.

Kind regards

**BASIC ASSESSMENT: MOEDING SOLAR PHOTO VOLTAIC PROJECT, NALEDI LOCAL MUNICIPALITY,
NORTH WEST PROVINCE (DEA REF.NO.: TO BE ISSUED)**

FOCUS GROUP MEETING: TUESDAY, 07 AUGUST 2018

A Basic Assessment (BA) is being undertaken for the proposed Moeding Solar Photo Voltaic (PV) solar energy generation and associated infrastructure development approximately 8km south of the town of Vryburg within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province.

Savannah Environmental has been appointed by Moeding Solar (Pty) Ltd to undertake the Basic Assessment (BA) process for the proposed development. The associated infrastructure required for the PV facility will include, but not limited to:

- Arrays of PV panels (either a static or tracking PV system) with a capacity of up to 100MW.
- Mounting structures to support the PV panels.
- On-site inverters to convert the power from a direct current to an alternating current and an on-site substation to facilitate the connection between the solar energy facility and the Eskom electricity grid.
- A new 132kV power line between the on-site substation and the Eskom grid connection point.
- Battery storage with up to 6 hours of storage capacity.
- Cabling between the project components, to be laid underground where practical.
- Offices and workshop areas for maintenance and storage.
- Temporary laydown areas.
- Internal access roads and fencing around the development area.

Please find attached for your perusal the Background Information Document which provides detailed information regarding the proposed development and the Basic Assessment (BA) process (Appendix A).

We would like to take this opportunity of inviting the Officials of Naledi Local Municipality to attend the Focus Group Meeting (FGM) to take place on:

DATE: Tuesday, 07 August 2018

TIME: 09h00-10h00

VENUE: Chambers, Naledi Local Municipality Offices, Vryburg

The purpose of inviting the Officials of Naledi Local Municipality to attend the FGM is to present the following:

- background to the proposed project;
- an overview of the Basic Assessment process followed;
- an opportunity to seek clarity and raise comments; and
- an opportunity to liaise with the project team members.

The Naledi Local Municipality Officials that we would like to recommend attending the FGM, but also at the discretion of the Mayor and Municipal Manager, are:

- Ward Councillors 5 and 9;
- Integrated Development Planning Department;
- Economic Development & Spatial Development Framework Department;
- Land Use & Infrastructure Department;
- Electrical Department;
- Engineering Department;
- Water and Sanitation Department;
- Waste Department; and
- Environmental Department

Officials are welcome to nominate a Colleague to attend the meeting should they not be available to attend.

We encourage the Naledi Local Municipality Officials to attend the Focus Group Meeting and to participate in the Public Participation process. We would like to thank you in anticipation for your active and meaningful contribution to the BA process.

Please do not hesitate to contact me on (011) 656 3237 should you require any additional information.

Kind regards

Rozanne Els

Public Participation Co-ordinator

Subject: Moeding Solar PV Facility and Associated Infrastructure

Importance: High

Good day,

With reference to our earlier telephone conversation, Savannah Environmental is undergoing a Basic Assessment for the Moeding Solar PV Facility and the Associated Infrastructure in the North West Province. We need to meet with the local authority as per the EIA Regulations 2014 as amended. There are also affected properties that belong to the Naledi Municipality.

A meeting has been scheduled with the Municipal Manager on the 18th of July 2018 at 10h00.

Thalita Botha the EAP from Savannah Environmental
Gabriele Stein the PP Consultant from Savannah Environmental
Mike Levington the Applicant (Possibly)

We are also going to try that the Ward Councilors of 5 and 9 be part of the same meeting.

I will send the requested documentation through in due course as well as a formal meeting request.

Thank you for your assistance.

Kind regards,

NOTIFICATION OF AVAILABILITY OF BASIC ASSESSMENT
REPORT FOR REVIEW AND COMMENTS
(Including proof of delivery)

Moeding Solar PV Facility

Project Name: Moeding Solar PV Facility, North West Province

Applicant: Moeding Solar (Pty) Ltd

Proposed Activity: The development of a photovoltaic (PV) solar energy facility, and associated infrastructure with a contracted capacity of up to 100MW which will include multi arrays (static or tracking) of solar panels, an on-site substation, a 132kV power line to connect to the electricity grid), access roads and laydown areas.

Location: The project site is located ~8km south of Vryburg, within the Naledi Local Municipality and the Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The site falls within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ. The solar energy facility is proposed to be developed on the Portion 1 of the Farm Champions Kloof 731, Portion 4 and the Remaining Extent of Portion 3 of the Farm Waterloo 730. Two power line alternatives are being considered:

- direct connection to the existing Mookodi MTS located on Remaining Extent of the Farm Rosendal 673; and
- a turn-in turn-out connection into the Mookodi – Magopela 132kV power line (to be constructed along the eastern boundary of the project site).

Basic Assessment Process: In terms of Sections 24 and 24D of the National Environmental Management Act (No 107 of 1998), as read with Government Notice R324 – R327, as amended, Environmental Authorisation is required for the project. As the project site is located within a REDZ, a Basic Assessment (BA) process is required to be undertaken in accordance with GN114 (February 2018). Savannah Environmental is undertaking the required environmental assessment and public participation process.

Basic Assessment Report Available for Review and Comment from 16 January 2019 to 15 February 2019. The BA Report can be viewed at the Huhudi and Vryburg Public Libraries or downloaded from Savannah Environmental's website: www.savannahsa.com. The due date for written comment to the contact below is **15 February 2019**.

To obtain further information and register on the project database, please submit your name, contact information and interest in the project to:

Nicolene Venter of Savannah Environmental
P.O. Box 148, Sunninghill, 2157
Tel: 011 656 3237 / Fax: 086 684 0547
Email: publicprocess@savannahsa.com

Documents for public review are available for download.

In order to receive the release code to access the documents, please contact us by sending a request and your interest in this project to publicprocess@savannahsa.com.

Dear Mr Bellingan

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(1), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for Agri Vryburg's review and written comments, and a CD containing the BAR is included in this envelope

Please note that BAR's review period is from **Thursday, 17 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving Agri Vryburg's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

By Courier Services

Dear Mr Masilela

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(1), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for the Air Traffic and Navigation Services' (ATNS) review and written comments, and a CD containing the BAR is included in this envelope

Please note that BAR's review period is from **Thursday, 17 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving the ATN's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019.**

Kind regards

Nicolene Venter

BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT: Review and comment period ending Monday, 18 February 2019

Dear Samantha,

This e-mail serves as a friendly reminder that the review and comment period ends on **Monday, 18 February 2019**.

With reference to our e-mail below, according to our records, we have not received written comments from BirdLife SA to date on the Basic Assessment Report (BAR).

Attached, for easy reference, please find attached the letter that was included in the envelope and proof of delivery to your Organisation.

We are looking forward to your Organisation's comments.

Kind regards,

Nicolene Venter

DEPARTMENT OF AGRICULTURE, FORESTRY AND
FISHERIES

16 January 2019

Mr Mashudu Marubini
Delegate to the Minister
Department of Agriculture, Forestry and Fisheries
Office 270
Delpen Building
C/o Annie Botha & Union Streets
RIVIERA
0084

By Courier Services

Dear Mr Marubini

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(2), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for the Department of Agriculture Forestry and Fisheries (DAFF) review and written comments, and a CD containing the BAR is included in this envelope.

Please note that BAR's review period is from **Thursday, 17 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving the DAFF's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

Kind regards

Nicolene Venter

BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT: Review and comment period ending Monday, 18 February 2019

Dear Ms Marubini and Ms Buthelezi,

This e-mail serves as a friendly reminder that the review and comment period ends on **Monday, 18 February 2019**.

According to our records, we have not received written comments from the Department of Agriculture, Forestry and Fisheries to date on the Basic Assessment Report (BAR).

Attached, for easy reference, please find attached the letter that was included in the envelope and proof of delivery to your Department.

We are looking forward to your Department's comments.

Kind regards,

Dear Ms Nale

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(2), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for the Department of Water and Sanitation (DWS) review and written comments, and a hard copy of the BAR is included in this envelope.

Please note that BAR's review period is from **Thursday, 17 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving the DWS's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

17 January 2019

Mr Abe Abrahams
Chief Director: Northern Cape Province
Department of Water and Sanitation
28 Central Road
BEACONSFIELD, 8301

By Courier Services

Dear Mr Abrahams,

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(2), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for the Department of Water and Sanitation: Northern Cape Province (DWS) review and written comments, and a CD containing the BAR is included in this envelope.

Please note that BAR's review period is from **Wednesday, 16 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving the DWS: Northern Cape Province's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

Kind regards

SUNNINGHILL

Savannah Environmental inform Mr Geeringh telephonically of the availability of the CD - as per arrangement with all Report. Comments received and included in Appendix C6 of the Final Basic Assessment Report.

16 January 2019

Dear Mr Geeringh

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(1), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for Eskom Holdings SOC Ltd's (Eskom) review and written comments, and a CD containing the BAR is included in this envelope

Please note that BAR's review period is from **Thursday, 17 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving Eskom's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

Kind regards

Development Type: Solar

ProposalDescription:

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy generation facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompoti District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ. The solar energy facility is proposed to be developed on the Portion 1 of the Farm Champions Kloof 731, Portion 4 and the Remaining Extent of Portion 3 of the Farm Waterloo 730. The facility will include multiple arrays (static or tracking) of photovoltaic (PV) solar panels with a contracted capacity of up to 100MW. The development footprint for the facility is anticipated to be approximately 300ha in extent.

CaseHeader **LocationInfo** **Admin**

Status: SUBMITTED

HeritageAuthority(s): SAHRA
NWPHRA

Case Type: Section 38 (8) - Statutory Comment Required

Development Type: Solar

ProposalDescription:

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy generation facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ. The solar energy facility is proposed to be developed on the Portion 1 of the Farm Champions Kloof 731, Portion 4 and the Remaining Extent of Portion 3 of the Farm Waterloo 730. The facility will include multiple arrays (static or tracking) of photovoltaic (PV) solar panels with a contracted capacity of up to 100MW. The development footprint for the facility is anticipated to be approximately 300ha in extent.

BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT: Review and comment period ending Monday, 18 February 2019

Dear Mr Mosiane,

This e-mail serves as a friendly reminder that the review and comment period ends on **Monday, 18 February 2019**.

We received comments from SAHRA (please see attached) and would appreciate your Department's confirmation that the attached comments are in line with that of the Provincial Heritage Resources Authority (North West Province).

Attached, for easy reference, please find attached the proof of delivery to your Department.

We are looking forward to your Department's confirmation as requested above.

Kind regards,

Nicolene Venter

By Courier Services

Dear Ms MacEwan

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(1), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for South Africa Bat Assessment Association's (SABAA) review and written comments, and a CD containing the BAR is included in this envelope

Please note that BAR's review period is from **Thursday, 17 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving SABAA's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

Kind regards

BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT: Review and comment period ending Monday, 18 February 2019

Dear Mr Koegelenberg,

This e-mail serves as a friendly reminder that the review and comment period ends on **Monday, 18 February 2019**.

According to our records, we have not received written comments from Sentech to date on the Basic Assessment Report (BAR).

Attached, for easy reference, please find attached the letter that was included in the envelope and proof of delivery to your Company.

We are looking forward to your Company's comments.

Kind regards,

Nicolene Venter

Dear Ms Bester,

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS
MOEDING SOLAR PV FACILITY, NORTH WEST PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

In terms of Regulation 43.(1), EIA Regulations 2017, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for Telkom SA SOC Ltd's (TELKOM) review and written comments, and a CD containing the BAR is included in this envelope

Please note that BAR's review period is from **Thursday, 17 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving TELKOM's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

Kind regards

PER EMAIL / MAIL

Dear Sir/Madam

ACKNOWLEDGEMENT OF RECEIPT OF THE NEW APPLICATION FOR ENVIRONMENTAL AUTHORISATION (BASIC ASSESSMENT PROCESS) AND BASIC ASSESSMENT REPORT FOR THE PROPOSED MOEDING SOLAR PV FACILITY WITHIN THE NORTHERN CAPE PROVINCE

The Department confirms having received the Application for Environmental Authorisation and draft Basic Assessment Report for the abovementioned project on 15 January 2019. You have submitted these documents to comply with the Environmental Impact Assessment Regulations, 2014, as amended.

Please take note of Regulation 40(3) of the EIA Regulations, 2014, as amended, which states that potential Interested & Affected Parties, including the Competent Authority, may be provided with an opportunity to comment on reports and plans contemplated in Regulation 40(1) of the EIA Regulations, 2014, as amended, prior to the submission of an application but **must be provided an opportunity to comment on such reports once an application has been submitted to the Competent Authority.**

Further note that in terms of Regulation 45 of the EIA Regulations, 2014, as amended, this application will lapse if the applicant fails to meet any of the time-frames prescribed in terms of these Regulations, unless an extension has been granted by the Department in terms of Regulation 3(7) of the EIA Regulations, 2014, as amended.

All documentation delivered to the physical address contained in this form must be delivered during the official Departmental Office Hours which is visible on the Departmental gate. EIA related documents (includes application forms, reports or any EIA related submissions) that are faxed; emailed; delivered to Security or placed in the Departmental Tender Box will not be accepted.

You are hereby reminded of Section 24F of the National Environmental Management Act, Act No. 107 of 1998, as amended, that no activity may commence prior to an Environmental Authorisation being granted by the Department.

Kindly quote this reference number in all future submissions.

Yours sincerely

Mr Sabelo Malaza

Dear Ms McCarthy,

For attention: The Honourable Mr Speaker

Thank you for contacting our office regarding the e-mail notification in which all registered Interested and Affected Parties and Stakeholders, such as the Naledi Local Municipality, was reminded that the review and comment period for the Basic Assessment Report is ending soon.

As requested, please find attached the following proof of consultation with Naledi Local Municipality:

- Record of email communication with Naledi Local Municipality (PDF - Moeding Solar PV-Record of Consultation)
- Minutes of Focus Group Meeting held with Naledi Local Municipality
- Attendance Register of Focus Group meeting
- Notification letter of availability of Basic Assessment Report
- Proof of Delivery of Basic Assessment Report (CD) to Naledi Local Municipality

Also attached is the proof of delivery of the hard copies of the Basic Assessment Reports to Vryburg Library. As was discussed with Mr Nolota, Vryburg Library will deliver the Report marked "HUHUDI LIBRARY" to Huhudi Library. The POD attached indicates that 2 Reports were included in the courier envelope and the envelopes in the courier envelope were marked VRYBURG LIBRARY and HUHUDI LIBRARY.

We hope Mr Speaker finds above-mentioned feedback in order.

Please do not hesitate to contact us should your Office requires any additional information or clarification.

Kind regards,

Nicolene Venter

Good day Nicolene

The South African National Roads Agency Limited (SANRAL) is responsible for national roads within South Africa. When you send us notification of proposed activities kindly always include a locality map that will show how far your proposed activity is from any national road so we can be able to tell whether we are affected or not.

Thanks

Subject: Moeding Solar PV Facility: Notification of Availability of Basic Assessment Report for review and comment

Dear Stakeholder,

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

The solar energy facility is proposed to be developed on the Portion 1 of the Farm Champions Kloof 731, Portion 4 and the Remaining Extent of Portion 3 of the Farm Waterloo 730.

This e-mail serves to notify you that the Basic Assessment Report is available from **Wednesday, 16 January 2018 to Friday, 15 February 2019**.

Please find attached the Notification Letter for further information.

Kind regards,

Nicolene Venter

Dear Ms Kilian,

With reference to the e-mail trail below, would you please be so kind as to assist us with our query.

Attached, for easy reference, is the Background Information Document that was distributed last year and a locality map showing the railway line adjacent to the proposed development site.

Looking forward to hear from you.

Kind regards

Nicolene Venter

Dear Herman,

Would you please be so kind and provide me with your Office's physical address.

We need to send Transnet Rail a CD containing the Basic Assessment Report for the above-mentioned project located near Vryburg, North West Province.

Kind regards

Nicolene Venter
