FOR ATTENTION: Mr Riaan du Plooy

Sirs

MOOIFONTEIN / BOSMANSPRUIT / KOPERMYN

We act in this matter for Mr and Mrs Cass, who instructed us to request from you copies of the following documents:

1. the mining plan;
2. the environmental impact study;
3. the mining right; and
4. a description of the hectares which will be affected by the open cast mining.

This information is important, as it will enable us to calculate the loss occasioned by the deprivation of the hectares through open cast mining, which will detract from our clients' annual income stream, both present as well as in the future.

We will appreciate your response as soon as possible, with a view to expediting the process.

Yours faithfully
A L MOSTERT & CO INC
