

Mpume to gate AR

The project entails CONSTRUCTION OF MPUME TO GATE ACCESS ROAD

The road is existing as earth tracks which can be used by off road vehicles and it has no stream crossing.

The project co-ordinates are

Start of the road	32°	16'55.55"S	28°	47'31.26"E
Centre of the road	32°	18'15.98"S	28°	47'37.23"E
End of the road	32°	17'24.15"S	28°	48'22.97"E

Mpume to Gate Access Road (2.3km) is located in ward 29 of Mbhashe Local Municipality. Mpume to Gate Access Road will be part of the MIG funded municipal projects earmarked for financial year 2021/2022. The project can be accessed through Dwesa gravel road from Willowvale branching left at about 41km from Willowvale. (See Appendix A and C). Part of the road is in built up areas and part of it is along the former plantation fence which was removed and the road proceed to a defunct gate. The whole road is existing as earth tracks already used by vehicles and in some areas only off-road vehicles can pass but not when there are wet conditions' the road will lead to the proposed community lodge and a short cut to the beach
