Dear Mr. B Mwasinga

emailed to: hendrikdel@gmail.com

APPLICATION: PROPOSED TWO NEW DWELLINGS AND A CONSERVANCY TANK ON FARM ANTONISFONTEIN NO. 1264, SIMONDIUM, PAARL DIVISION.

Drawings dated March 2019 served before the Paarl Advisory Committee on Town Aesthetics and Environmental Matters on 7 August 2019. The drawings numbered 1064-03-19-01 and 1064-03-19-02 by HF De Lange were **SUPPORTED**, as the proposal will not have a negative impact on the Grade 1 Cape Winelands Cultural Landscape.

This application is for the proposed two new dwellings and a conservancy tank on site. There is a structure listed as Grade 3C heritage resource in the Drakenstein Heritage Survey of 2013. Furthermore, the site falls inside Grade 1 Cape Winelands Cultural Landscape, but outside Special Character Protected Area Overlay Zone of Paarl.

The proposal will have a possible impact on the character of the site.

The applicant can proceed with the application to the South African Heritage Resource Agency.

Yours faithfully

.....
MR W HENDRICKS
MANAGER: SPATIAL PLANNING, HERITAGE AND GIS
