Dear Mr Pillay,

**RE: COMMENT SOUGHT FROM THE PROVINCIAL RESOURCES AUTHORITY
OF THE NORTHERN REGARDING KLEIN ZWART BAST 188.**

In relation to the request above, SAHRA would like to clarify that the Archaeology, Palaeontology and Meteorites (APM) Unit at SAHRA is responsible for any decisions regarding archaeology, palaeontology and meteorites in the Northern Cape Province.

Therefore, following our destruction permit issued on the 2nd of May 2012, no further recommendations from the Northern Cape Provincial Heritage Resources Authority are necessary.

Please note that the Northern Cape Provincial Heritage Resources Authority is responsible for any heritage matters not pertaining APM in the province.

Kind regards

Pp Mrs Colette Scheermeyer
