Die N.G. Kerk in Piet Retief is ook die handewerk van Moerdijk. Die kerkgebou is gedurende 1922 ingewy. Veral treffend van die gebou is die wit gewels elk met sy eie ontwerp, wat saam met klip gebruik is.

TOESTAND: Goed

GEBRUIK: As kerkgebou

BEWARENSWAARDIGHEID: Die Transvaalse Streekkomitee het op sy vergadering gehou op 1992-09-29 besluit dat Moerdijk-kerke sover moontlik verklaar word as Nasionale Gedenkwaardighede.

Die kerk is deur Moerdijk ontwerp en veral die gewels en toring maak die gebou is interessant. Die gebruik van klip saam met wit gepleisterde bouwerk maak die kerk besonders.

AANBEVELING: Dat die N.G. Kerk Piet Retief tesame met Erf 845 waarop dit geleë is as Nasionale Gedenkwaardigheid verklaar word.

Uiteindelik gaan Piet Retief ook 'n Nasionale Gedenkwaardige gebou by sy naam plaas - ons pragtige N.G. Kerkgebou wat destyds self deur Gerhardt Moerdijk ontwerp en op 15 Oktober 1921 is die hoeksteen deur Ds. Paul Nel gelê. Die betrokke komitee sal binnekort hul bekende wapentjie van dié monument laat aanbring en 'n mens hoop dit is digby die treffende Bybelvers wat

ons voorvaders gekies het om in die klip aan te bring ter ere van die God van ons volk - 1 Konings 8 vers 57: "De Here onze God zy met ons gelykals Hy geweest is met onze Vadere".

Straatlangs Markstrater

Ons mense is uitgehonger om saam te trek en erens hulp te soek in die huidige krisistyd. U kan vanaf 3 tot 9 Mei in die plaaslike Lutherse Markuskerk van Piet Retief se gemeente aan 'n baie waardevolle seminar deelneem wat elke oggend om 09:00 begin.

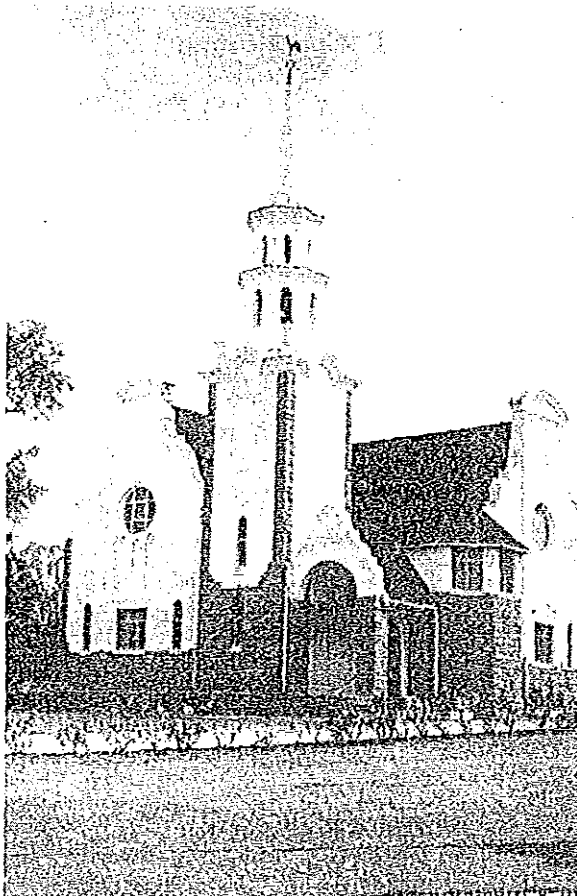

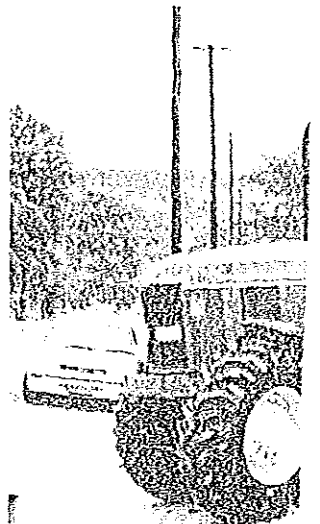

Dit gaan oor die kernvrae oor wat GELOOF werklik is, en die sin van die lewe. U kan by pastoor Manfred Müller Nedebock meer inligting oor die telefoon by nommer 2646 kry, en dit is nie nodig om al die seminare by te woon wat in die pastorale gemeentesaal aangebied word nie.

Te midde van die donker wolke wat oor ons toetrek is dit imperatief om Gods Woord vandag prakties uit te leef - "Word stil - en weet dat Ek God is"!

In Krugerstraat het ons onder-burgemeester, Johan Glover so pas sy nuwe perseel vir SASOL (Olie en Kunsmis) se diens vir

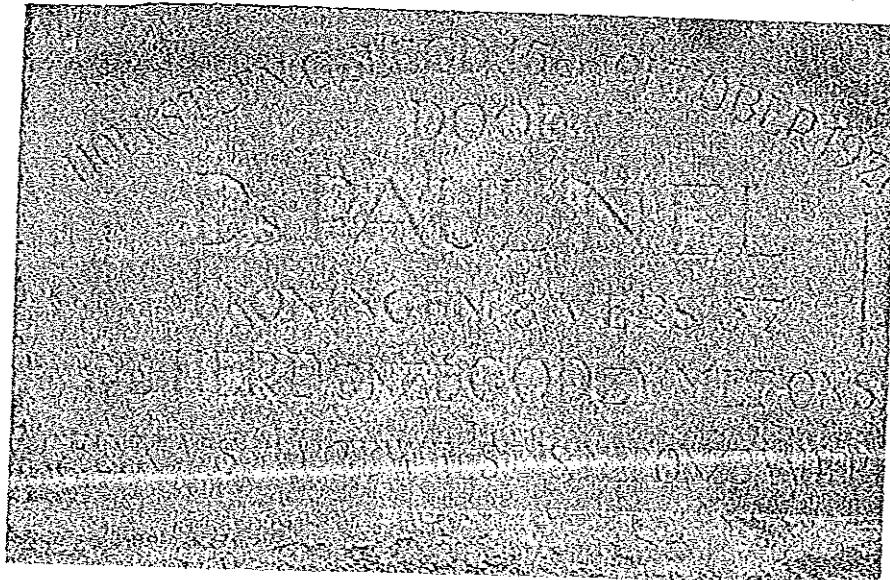

wat sy omgewing altyd netjies hou, of dit nou by sy huis is, of by sy werk - en u kan sommer noual daar gaan inloer. Dit is geleë tussen die Skoehospitaal en Sign Art.

Onthou die grasperk voor julle perseel Johan, dit is nou in jou hande om dié

Verzoek is van T. Ferreira ontvang om weer te kyk na 'n klankdige lokaal binne die kerk, onder die suid-galery vir gesinne met klein kindertjies. Daar word gereken dit is 'n behoefte wat bestaan en sal aanhou bestaan. Tonnie het onderneem om koste van die projek te opra. 'n Voorlopige plan is deur 'n argitek opgestel.

Aangesien die kerkgebou 'n nasionale gedenkwaardigheid is moet toestemming van S.A.R.A.H. vermy word wat volledige planne versis en 'n goeie motivering.

Daar sal heelwat tyd en koste verloop voor mens sal weet of aansoek goed of afgekeur is.

E.D.C. vra Kerkraad om ooy die saak te besik en 'n besluit te neem.

Motivation for change to structure of NG KERK Piet Retief

The NG Kerk Piet Retief currently has approximately 1400 members of which ±600 is children. We have a beautiful church building built in 1923. In those days though, churches were not necessarily designed to accommodate children i.e "mother & child rooms" were not part of the original outlay.

We do have a room available that we do currently use as a "mother & child facility" but it is outside of the main church arena and members tend to feel "left out". We did try to improve this with a TV screen and sound, but it's still not possible to recreate the church atmosphere in that room.

Therefore after discussions with members - specifically mothers with small children - we've decided that the best option would be to close the one segment of the church with sound proof glass. This will make the mothers and children feel part of the church with direct view of the pulpit and stage; but will be sufficiently closed off as to not disturb other church goers.

We believe this will greatly contribute to the functionality of the building without damaging any of the architectural heritage.
