MAMA ELIZA IS THE STRONGEST SPIRITUAL **WOMAN IN AFRICA, POWERFUL AND EXPERIENCED IN ALL PROBLEMS.** 

My name is Jabu from KZN and I am 44 years old. I have come out to tell you what the good work of Mama Eliza did for me. I went to Mama when everything had turned down. My wife had left me, I had lost my job, and my car had been taken by the bank because of a loan. My house was sold and my kids were not schooling anymore. I was about to kill myself but my friend told me to try Mama Eliza. I called her and she gave me the address and she told me to go with only a consultation fee. She saw bad evil spirits which don't want me to be successful as they were taking my money and luck for so many years. After she helped me, I was called back to work, my wife came back, and I also bought another car. Now I am working on buying a new home. So my sisters and brothers, give it a try and call her to help you because you don't know why you don't develop and what takes your money.

Until my sister von lotto & she told us that she got the numbers from Mama Ngozo, then my husband did not waste time to call Mama & he chose money in the ban, it took a few hours & we received notification from the bank. Mama Ngozo told us to go to the nearest ATM & withdraw. We were very shocked to see such a huge amount of money in our account & we paid her 10%. My in-laws agree using rats to get money everyday & pay her back weekly. To our brothers & sisters all over in Africa its time for us to stop wasting our hard earned cash making fake sangomas rich.
