**MAMA VUMILE WILL HELP YOU WITH ALL YOUR PROBLEMS**  
 My name is Steven Mthombeni and my phone number is 0813966166. I am here to testify about what Mama Vumile did in my life. I have been struggling and suffering for so long and I had a big financial problem with a lot of debts but as I am saying to you now everything has been sorted out through Mama Vumile. I have been trying a lot through different doctors, sangomas but none of them help me but asking a lot of money from me, but one day I decided to call Mama Vumile after reading the testimony of Lungile Mmndeni about what Mama Vumile did to her life, she told me about 5 ways of getting money fast, short boys, rats, magic wallets, magic stick and gambling. I choose short boys to bring money in my account and I sent only R100 to her, I didnt believe the miracles I saw after few hours, money was in my account! I paid her 10% according to our agreement. If you have so many debts, call Mama Vumile and she will help you with R100 only. When my sister heard about this she decided to try her luck after choosing money in her house, Mama Vumile did the same to her, she got the money same day. I am happy to tell you all that Mama Vumile will help you with R100 only. I even told my two friends about my miracles, they tried and received 100% results. After paying my debts I am a free man, living happy life forever.  
**THANKS MAMA VUMILE DO THE SAME TO OTHER PEOPLE. YOU CAN EVEN CALL HER ON: 071-738-6028 064-771-4084**

**MAMA MATAKA WILL CHANGE YOUR LIFE**  
 My name is Zandile from Eastern Cape and I am here to share my dream-come true story and testimony for **Mama Mataka**. For quite a long time I have been disappointed by fake Sangomas who promised me better life, out of a misery I was trapped in, but none of the herbalists was able to save my life from a verge of death as I was about to take my own life. My friend from Mpumalanga came to my house with some good news about **Mama Mataka** that she saved her life from terrible mistake she could have ever made in her life. I did not believe her story because i had been robbed too much and it was just better to die but she insisted that I call **Mama Mataka** and I called **Mama Mataka** same day with my friend's cellphone. **Mama Mataka** only asked me a few questions and told me to just deposit the consultation fee and with the help of my friend I did deposit. I followed each and every instruction she told me carefully and you wouldn't believe me today if you see me now and how miserable I was then. I enjoy my money today with all my family members and now I own a big house with 3 cars outside. My friend has huge businesses all because of **Mama Mataka**. Please those who are in deep unending trouble its time to stop weeping. **Just call Mama Mataka now and your life will be changed forever.**
