PROPOSED ENVIRONMENTAL AUTHORISATION APPLICATION: EXPANSION OF THE EXCELSIOR ABATTOIR - KURUMAN
EIA REFERENCE NUMBER: TO BE CONFIRMED

This notice board serves to inform you, as a potential Interested and Affected Party (I&AP), of the proposed application for Environmental Authorisation for the following project: Expansion of the Excelsior Abattoir - Kuruman. The application will be lodged with the Northern Cape Department of Agriculture, Environmental Affairs, Rural Development and Land Reform (the Competent Authority) in terms of the National Environmental Management Act (NEMA), 1998 (Act No. 107 of 1998), as amended, and the Environmental Impact Assessment (EIA) Regulations, 2014, as amended.

The applicant, Excelsior Abattoir CC, has appointed EARTHnSKY Environmental (Pty) Ltd. in terms of Regulation 12 of the EIA Regulations, 2014, as amended, as the independent Environmental Assessment Practitioner (EAP) for the application. The EAP shall at all times adhere to the requirements on the Protection of Personal Information Act, 2013 (Act No. 14 of 2013) (POPIA).

PROJECT DESCRIPTION

Expansion of the Excelsior Abattoir to increase the cattle (red meat) slaughtering capacity from 50 to 200 cattle per day. The expansion will include internal changes to the abattoir as well as the expansion of the abattoir building to accommodate an additional cold storage room with three product loading bays.

PROJECT LOCATION

- Erf 4051 and 4052, Kuruman; GPS coordinates: 27°28'31.08"S; 23°26'37.32"E
- The site is East of the R31 (Voortrekker Street) in Kuruman, ±1.6km to the South of the Kuruman CBD. The site is located in the Ga-Segonyana Local Municipality, John Taolo Gaetsewe District Municipality, Northern Cape Province.

LEGISLATION APPLICABLE TO THE PROJECT

The proposed project requires Environmental Authorisation and a Basic EIA process for the following listed activity in terms of the EIA Regulations, 2014, as amended:

- GNR. 983 of 4 December 2014 (Listing Notice 1), as amended: Activity No. 38: The expansion and related operation of facilities for the slaughter of animals where the daily product throughput will be increased by more than – (ii) 6 units of reptiles, red meat and game.

The application will be submitted to the Competent Authority in due course. The Competent Authority will issue a reference number for the application. The reference number will be communicated to I&APs once received. The following reports are applicable to this application:

- A Basic Assessment Report and Environmental Management Programme in accordance with Appendix 1 and 4 of the EIA Regulations, 2014, as amended.

PUBLIC PARTICIPATION

The public participation processes for this application are conducted according to the requirements of Chapter 6 of the EIA Regulations of 4 December 2014, as amended.

Should you wish to register as an I&AP for the proposed project, and subsequently be kept informed of the progress of the project, please request and complete the "Interested and Affected Party" registration form (obtainable from the EAP). If you do not receive a confirmation of registration, kindly please confirm that we have received your registration form. Alternatively, you may also submit your name, contact information and interest in the matter, in writing, to the EAP using the contact details given below (before 20 June 2023).

The draft Basic Assessment Report will be available for public review and commenting for a period of 30 days, from 21 June 2023 to 21 July 2023 (registered I&APs will also be informed as soon as the report is available for review). A hard copy of the report will be available for review from 21 June 2023 at the Kuruman Library. Electronic copies of the report will be provided to registered I&APs via email or WhatsApp. Please inform us should you require a hard copy of the report instead.
