

2 August 2021

Dear Sir/Madam

**NOTICE OF AN APPLICATION, IN TERMS OF SECTION 22A OF NEM: AQA, BY HENWIL CHICKENS (PTY) LTD FOR AN ATMOSPHERIC EMISSION LICENSE FOR ITS RENDERING FACILITY.**

**Background:**

Henwil Chikens (Pty) Ltd (“Henwil Chickens”) has a rendering facility situated on Portion 28 of the farm Graslaagte 37 IP, within the Ditsobotla Local Municipality of the Ngaka Modiri Molema in the North West province. The facility is situated less than 5 km east of the town Lichtenburg. The rendering facility processes blood, feathers and condemned poultry matter into a poultry meal that is used as a high valued protein in animal feeds.

**Legislative Requirements:**

The rendering process at Henwil Chickens, is listed as Category 10: Animal Matter Processing in the List of activities which result in atmospheric emissions which have or may have a significant detrimental effect on the environment, including health, social conditions, economic conditions, ecological conditions or cultural heritage published in Government Notice (GN) 893 in Government Gazette (GG) 37054 dated 22 November 2013 (as amended). In terms of Section 22 of the National Environmental Management: Air Quality Act 39 of 2004 (NEM: AQA), no person may conduct an activity listed on a national list anywhere in the Republic of South Africa or listed on a list applicable to a province anywhere in that province without a provisional Atmospheric Emission License (PAEL) or an Atmospheric Emission License (AEL).

**Application:**

Henwil Chickens’ rendering facility is operating without an AEL. To rectify this, Henwill Chickens is applying for a new AEL in terms of Section 37 and Section 22A of NEM: AQA. The application was submitted on the South African Atmospheric Emission Licensing & Inventory Portal on 27 July 2021 (Submittal ID: 4474).

The following listed activity was applied for: Category 10: Animal Matter Processing. Description: Processes for the rendering cooking, drying, dehydrating, digesting, evaporating or protein concentrating of any animal matter not intended for human consumption. Application: All installations handling more than 1 ton of raw materials per day.

The listed activity is carried out on Portion 28 of the farm Graslaagte 37 IP.

**Notice:**

The purpose of this notice is to bring the New AEL Application in terms of Section 22A of NEM: AQA to the attention of the relevant organs of state, interested persons and the public to afford the relevant organs of state, interested persons and the public an opportunity to submit written representations on or objections to the New AEL Application in terms of Section 22A of NEM: AQA.

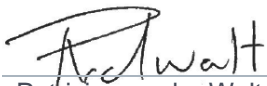

**Access to Renewal Application:**

To obtain access to a copy of the New AEL Application, please contact the environmental consultant. Representations on or objections to the New AEL Application should be submitted to the environmental consultant on or before 3 of September 2021.

**Environmental consultant:**
