**RE: NOTICE OF APPLICATION FOR PROSPECTING RIGHT BY
K2019315211 (SOUTH AFRICA) (PTY) LTD**

K2019315211 (South Africa) (Pty) Ltd has applied for a Prospecting Right to prospect for Iron Ore and Manganese Ore over Portion 2 and Portion 3 of the Farm Bishop 671, situated in the Kuruman District, Northern Cape Province.

The application for the Prospecting Right has been accepted by the Department of Mineral Resources under application reference number (NC) 30/5/1/1/2/12395 PR.

M and S Consulting (Pty) Ltd has been appointed by K2019315211 (South Africa) (Pty) Ltd, as an independent consultant, to conduct the Prospecting Right application process on their behalf. The prospecting right application has been compiled and submitted in terms of the Mineral and Petroleum Resources Development Act, 2002 (No. 28 of 2002) as amended by Act 49 of 2008 and in terms of the National Environmental Management Act, 1998 (No. 107 of 1998) as amended.

In terms of Sections 42 to 47 of the National Environmental Management Act, 1998 (Act No. 107 of 1998), Environmental Impact Assessment Regulations, 2014 and in terms of Section 16(4) and Regulation 3 of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002) Interested and / or Affected Parties must be notified and consulted with regard to the proposed activity.

You are hereby notified, as a National Agency, of the intent to prospect on the abovementioned properties.

Attached hereto find the draft Environmental Impact Assessment and Environmental Programme Report (EIA/EMPr) for your perusal and comment.

We hereby request guidance specifically regarding the type of Archaeological and/or Palaeontological Assessments that have to be conducted for this project. The online PalaeoSensitivity Map of SAHRA has been used to determine the sensitivity of the application area. In terms of the online PalaeoSensitivity Map a desktop study should be undertaken before any prospecting activities may commence. Please refer to page 26 of the EIA/EMPr document.

The due date for submission of the final EIA/EMPr at the Department of Mineral Resources is 20 April 2020. We hereby humbly request SAHRA's feedback on or before 28 February 2020 to allow us sufficient time to appoint the relevant specialists for this project, to receive their Reports and to incorporate the findings and recommendations of these Reports into the final EIA/EMPr before submission.

If you have any other questions or need some more information please feel free to contact the writer.

Yours faithfully

A handwritten signature in black ink, appearing to be 'T. Jooste', written in a cursive style.
