MAVHUNGA is in the consultation process of developing an Environmental Management Programme Review for the proposed project. Your input is required for the finalisation and approval. You will be notified of the final decision once it has been approved.

MAVHUNGA is committed in complying with the conditions of the Environmental Management Programme Review. The purpose of the management of the environmental impacts of the site is to ensure that the project is carried out in a sustainable manner.

Drafts of the Environmental Management Programme Review will be available for comment for 30 days. The draft will be sent to all interested and affected parties by email, fax and hand delivery. Please submit your comments and concerns within the working period.
