Attention: The Provincial Manager

NOTIFICATION: APPLICATION FOR PROSPECTING RIGHT: DMR Ref: NW30/5/1/1/2/11788PR

Samancor Chrome Limited has applied for a prospecting right in terms of Section 16 of the Mineral and Petroleum Resources Development Act - Act 28/2002 (MPRDA) in order to prospect for chrome on the farms Hartebeestpoort 410 JQ, Wolwedrift 414 JQ, Uitvalgrond 416 JQ and Uitvalgrond 979 JQ which are located in the Madibeng Local Municipality and the farm Kareepoort 407 JQ which is located in the Rustenburg Local Municipality both in the Bojanala Platinum District Municipality in the North West Province. The mineral being applied for is Chrome (Cr). Find attached to this letter a Background Information Document (BID) containing information on the prospecting right application and process to be followed.

Samancor Chrome Limited has identified you as an important stakeholder to this application and would appreciate your comments and / or suggestions on this prospecting right application. Please register as an Interested and Affected Party (I&AP) and keep us informed of your current, and changes to, your contact details so we can keep you up to date on the development of this project and engage with you throughout the application process.

EcoPartners has been appointed to assist with the application process, the consultation process and to compile the required environmental reports. This letter serves as a notification in terms of Regulation 41 of the EIA Regulations (GN 982 of 4 December 2014) under Section 24(5) of the National Environmental Management Act.

In order to ensure that you are **registered** as an I&AP and that your subsequent comments are considered in the process, you are requested to complete **and sign** the form attached and return to us using one of the contact methods below.

Information about a consultation meeting will be published in the Brits Pos newspaper and communicated to all registered I&APs.
