

9 May 2022

Dear Interested and affected party,

## **NOTICE OF A VARIATION APPLICATION OF THE PROVISIONAL ATMOSPHERIC EMISSION LICENCE BY CAPE DAIRY BIOGAS (PTY) LTD LICENCE NUMBER WC/WC/028**

### **Background information**

The West Coast District Municipality issued Cape Dairy Biogas (Pty) Ltd. ("CDB") a Provisional Atmospheric Emissions Licence ("PAEL") (WC/WC/028) dated 04/08/2015 for the operation of a biogas digester near Malmesbury in the Western Cape. CDB have requested a variation to this PAEL, increasing the size of the facility from 5 MW to 9.8 MW.

### **Legislative Requirements**

In terms of Section 22 of the National Environmental Management: Air Quality Act 39 of 2004 (NEM: AQA) no person may conduct an activity listed on a national list anywhere in the Republic of South Africa or listed on a list applicable to a province anywhere in that province without a PAEL or an Atmospheric Emission License ("AEL").

The following listed activities, as published in terms of section 21 of the National Environmental Management: Air Quality Act, 2004 (Act No. 39 of 2004), are proposed to be conducted at the premises in terms of this application:

Listed Activity Number	Category of Listed Activity	Sub-category of the Listed Activity	Name of the Listed Activity	Description of the Listed Activity
10	10	Animal matter processing	Biogas digesting	Digestion of animal waste and manure for the purposes of capturing methane gas for power generation.

### **Application**

Cape Dairy Biogas Plant (Pty) Ltd applied for the variation of their provisional licence in terms of Section 47 of the NEM: AQA in April 2022.

### **Notice**

The purpose of this notice is to bring the variation application to the attention of relevant organs of state, interested and affected parties and the public to afford these various groups an opportunity to submit written representations on, or objections to the variation application.

**Where to obtain access to the variation application**

To obtain access to the variation application and additional information or to submit representations on or objections to the variation application please contact the Environmental Consultant at the details provided below, before or on the 8 June 2022.

For online participation go to [www.shangoni.co.za](http://www.shangoni.co.za) and click on “*Public Documents*” – Cape Dairy Biogas (Pty) Ltd. Comment period from 10 May to the 8 June 2022 (30 days).
