**D. IMPACT ON HERITAGE RESOURCES:**

To your knowledge would the Development impact on any known heritage resources protected in terms of the KZN Amafa and Research Institute Act (5/2018), or is the development located in the vicinity of any of the above? If yes, the Heritage Practitioner must create a site on sahris pinpointing the position of the heritage resource/s discovered.

(tick the appropriate box/boxes below)

s37 - Structures or part thereof that can reasonably be expected to be over 60 years of age	x
s38 - Graves of victims of conflict,	x
s39 - Informal and private burial grounds (traditional graves or graves outside of a formal cemetery e.g. a farm cemetery that are over 60 years of age).	y

s40 - Battlefield sites , archaeological sites, rock art sites, palaeontological sites, historic fortifications, ruins over 100 years old, meteorite or meteorite impact sites and any objects or ecofacts associated therewith	x
s42 - Protected areas (is the site within a known protected area?)	x
s43 - Specially protected heritage resources are listed in Schedule of Heritage Resources	x
s44 - Heritage Landmarks including the site on which they are situated	x
s45 - Provincial Landmarks and the site on which they are situated (state owned)	x
s46 - Graves of members of the Royal Family listed in Schedule of Heritage Resources	x
s47 - Battlefield site, public monument or memorial listed in the Schedule of Heritage Resources and any public monument defined in the NHRA and protected in terms of Section 37 of the NHRA, & Section 47 of the KZN Amafa and Research Institute Act (5/2018)	x
s49 - Artefacts, or collections thereof on which Heritage Object status has been conferred	x

## **KWAZULU-NATAL AMAFA AND RESEARCH INSTITUTE**

THE KZN PROVINCIAL HERITAGE RESOURCES AUTHORITY  
(accredited in terms of the National Heritage Resources Act)

**GUIDELINES FOR THE PREPARATION OF APPLICATIONS FOR COMMENT FROM THE PROVINCIAL HERITAGE RESOURCES AUTHORITY ON DEVELOPMENT PROPOSALS IN TERMS OF SECTION 41 OF THE KZN AMAFA & RESEARCH INSTITUTE ACT (5 OF 2018) AND THE NATIONAL HERITAGE RESOURCES ACT (SECTION 38).** Please detach from the form before submission

NOTE: The provisions of s38 of the NHRA have been incorporated verbatim into s41 of the **KZN AMAFA & RESEARCH INSTITUTE ACT (5 OF 2018)**.

### **APPLICATION FORMS**

All applications must be made on the relevant official application form and must be accompanied by the relevant supporting documentation.

- A. DEVELOPMENT DETAILS:** Describe the proposed development and motivate and motivate the need and desirability for such a development. Details must be given of the work to be carried out – do not merely refer to the documents submitted.
- B. PROPERTY:** Include the name of the development where applicable. The FARM NAME is the key information and is used as a tracking device in the filing system. Where development is in an urban area the street address is key and if several street numbers apply to the site, all the numbers must be included.
- GPS CO-ORDINATES: The KZN Amafa and Research Institute only accepts GPS co-ordinates in decimal format. Other formats may be provided in addition to the decimal format but not to the exclusion of the decimal format.
- C. DEVELOPMENT TYPE:** development applications are made either in terms of:  
s41(1) – check the list under C 1 – or  
s41(8) – check the list under C 2.
- D. HERITAGE RESOURCES:** Identify any heritage resources uncovered through initial scoping or through the Heritage Impact Assessment. Create a site on the step/page 1 of the application on sahris and pinpoint the positions of the resources on the google map provided. When heritage resources have been found the Institute will require that a Heritage Impact Assessment is carried out by a practitioner registered with the Institute and accredited to carry out such assessments. When appointing the Heritage Practitioner stipulate that the HIA must be uploaded to the application on sahris and that a hard copy must be provided to the Institute.

NB: Section 39 of the KZN Amafa and Research Institute Act (5/2018) has been brought in line with the NHRA and limits the protection of traditional graves to those over 60 years of age.

- E. CONTACT DETAILS:** full contact details of all major players in the development are required.  
**DECLARATION:** The owner must sign the form and any accompanying documentation and must consent to submissions by a third party/agent.
- F. A SUBMISSION FEE** – a service fee determined by the Council of the Institute is payable on submission of all applications. THE APPLICATION WILL NOT BE REGISTERED AS SUBMITTED IF THE PROOF OF PAYMENT IS NOT ATTACHED. USE THE SAHRIS CASE ID AS THE REFERENCE.
- G. PUBLIC PARTICIPATION:** WHERE GRAVES ARE PRESENT COMMUNITY CONSULTATION MUST BE CARRIED OUT AND EVERY EFFORT MADE TO LOCATE AND CONSULT THE FAMILIES OF THE DECEASED PRIOR TO SUBMISSION OF THIS APPLICATION.

The applicant will be notified of the level of public participation required and will have to bear the costs thereof. Neighbours, Ward Councillors, and Heritage Groups should be consulted in

the case of demolition/destruction applications. All documentation submitted is retained for record purposes and interested and affected parties may apply to view the documentation.

### **DOCUMENTS REQUIRED IN SUPPORT OF THIS APPLICATION**

- 1. SUPPORTING DOCUMENTATION:** Only Heritage Practitioners registered with the Institute may compile the HIA and related supporting documentation. Permits will require their overseeing the work. Where architectural drawings are required, they must be authored by SACAP registered professionals.
- 1.1. PHOTOGRAPHS OF EXISTING FEATURES, STRUCTURE/S ARCHAEOLOGICAL REMAINS, GRAVES, ETC AND THEIR SURROUNDINGS:**  
 Photographs that clearly illustrate the features of the affected site relevant to the application must be submitted.
- 1.2. SITE PLAN:** The site plan must be drawn in accordance with the approved surveyor's diagram of the site and must show: scale; the north point; the erf/property/farm number of the site; the location of the site and any structures on it in relation to surrounding roads, buildings and other features; existing buildings, structures, and pools on the site (coloured grey or uncoloured); proposed work (coloured red) and buildings or portions of buildings proposed for demolition (in dotted lines); and the extent of the declared area (in the case of a proclaimed property). Heritage resources must be clearly marked on the plan.
- 1.3. KML MAP FILE AND AERIAL OR SATELLITE VIEWS OF THE SITE** that clearly illustrate the features of the affected site relevant to the application must be submitted.
- 1.4. 1:50 000 MAP OF THE SITE** that clearly illustrates the features of the affected site relevant to the application must be submitted.
- 1.5. ENVIRONMENTAL IMPACT ASSESSMENT** where required the EIA must be compiled in accordance with standards set out in regulations under the environmental legislation.
- 1.6. HERITAGE IMPACT ASSESSMENTS** must be submitted where any Heritage Resources are found. These reports must comply with the standards set out by the South African Heritage Resources Agency (go to [www.sahra.org.za](http://www.sahra.org.za) to download the standards) and may only be compiled by practitioners who have registered their accreditation for this work with the Institute. If the HIA is not submitted with the application, the Institute will notify the applicant of the need to submit an HIA if there is reason to believe that heritage resources will be affected by the development.
- 2. SUBMISSION OF APPLICATIONS:** Application forms can be downloaded from [www.heritagekzn.co.za](http://www.heritagekzn.co.za) – look under the “Permits” tab - download forms – Form J. Electronic submissions must be uploaded to the sahris system operated by the South African Heritage Resources Agency [www.sahra.org.za](http://www.sahra.org.za). The application must also be submitted in hard copy delivered to 195 Langelibalele Street, Pietermaritzburg, 3201 OR posted to Box 2685, Pietermaritzburg, 3200. In the case of a failure of the sahris system the application can be emailed to [archaeology@amafapmb.co.za](mailto:archaeology@amafapmb.co.za) and [bernadetp@amafapmb.co.za](mailto:bernadetp@amafapmb.co.za).

**When submitting on sahris note that you must still check Section 38 under the case type and KZN – Amafa** for the Provincial Heritage Resources Authority.

The applicant is the “owner” and the Assessor is the “Consultant” and the correct fields must be completed.

The Consent Letters allowing a developer to act on behalf of the owner or the Consultant to upload the case to sahris must be placed in the correct boxes which are blocked from public view.

The proof of payment must also be loaded to the designated box to prevent members of the public obtaining banking details, etc from the document.

- 3. PROCESSING OF APPLICATIONS:** applications are processed in the order in which they are received, except during the December/January holiday break. The Institute will receipt the application and alert the applicant to any missing information within 2 weeks of submission. Allow 90 days for processing of complex applications as these may be submitted to external reviewers. Lobbying of external reviewers will disqualify the application. Written responses to applications will be uploaded to Sahrís. Telephonic or e-mails enquiries will not be responded to.

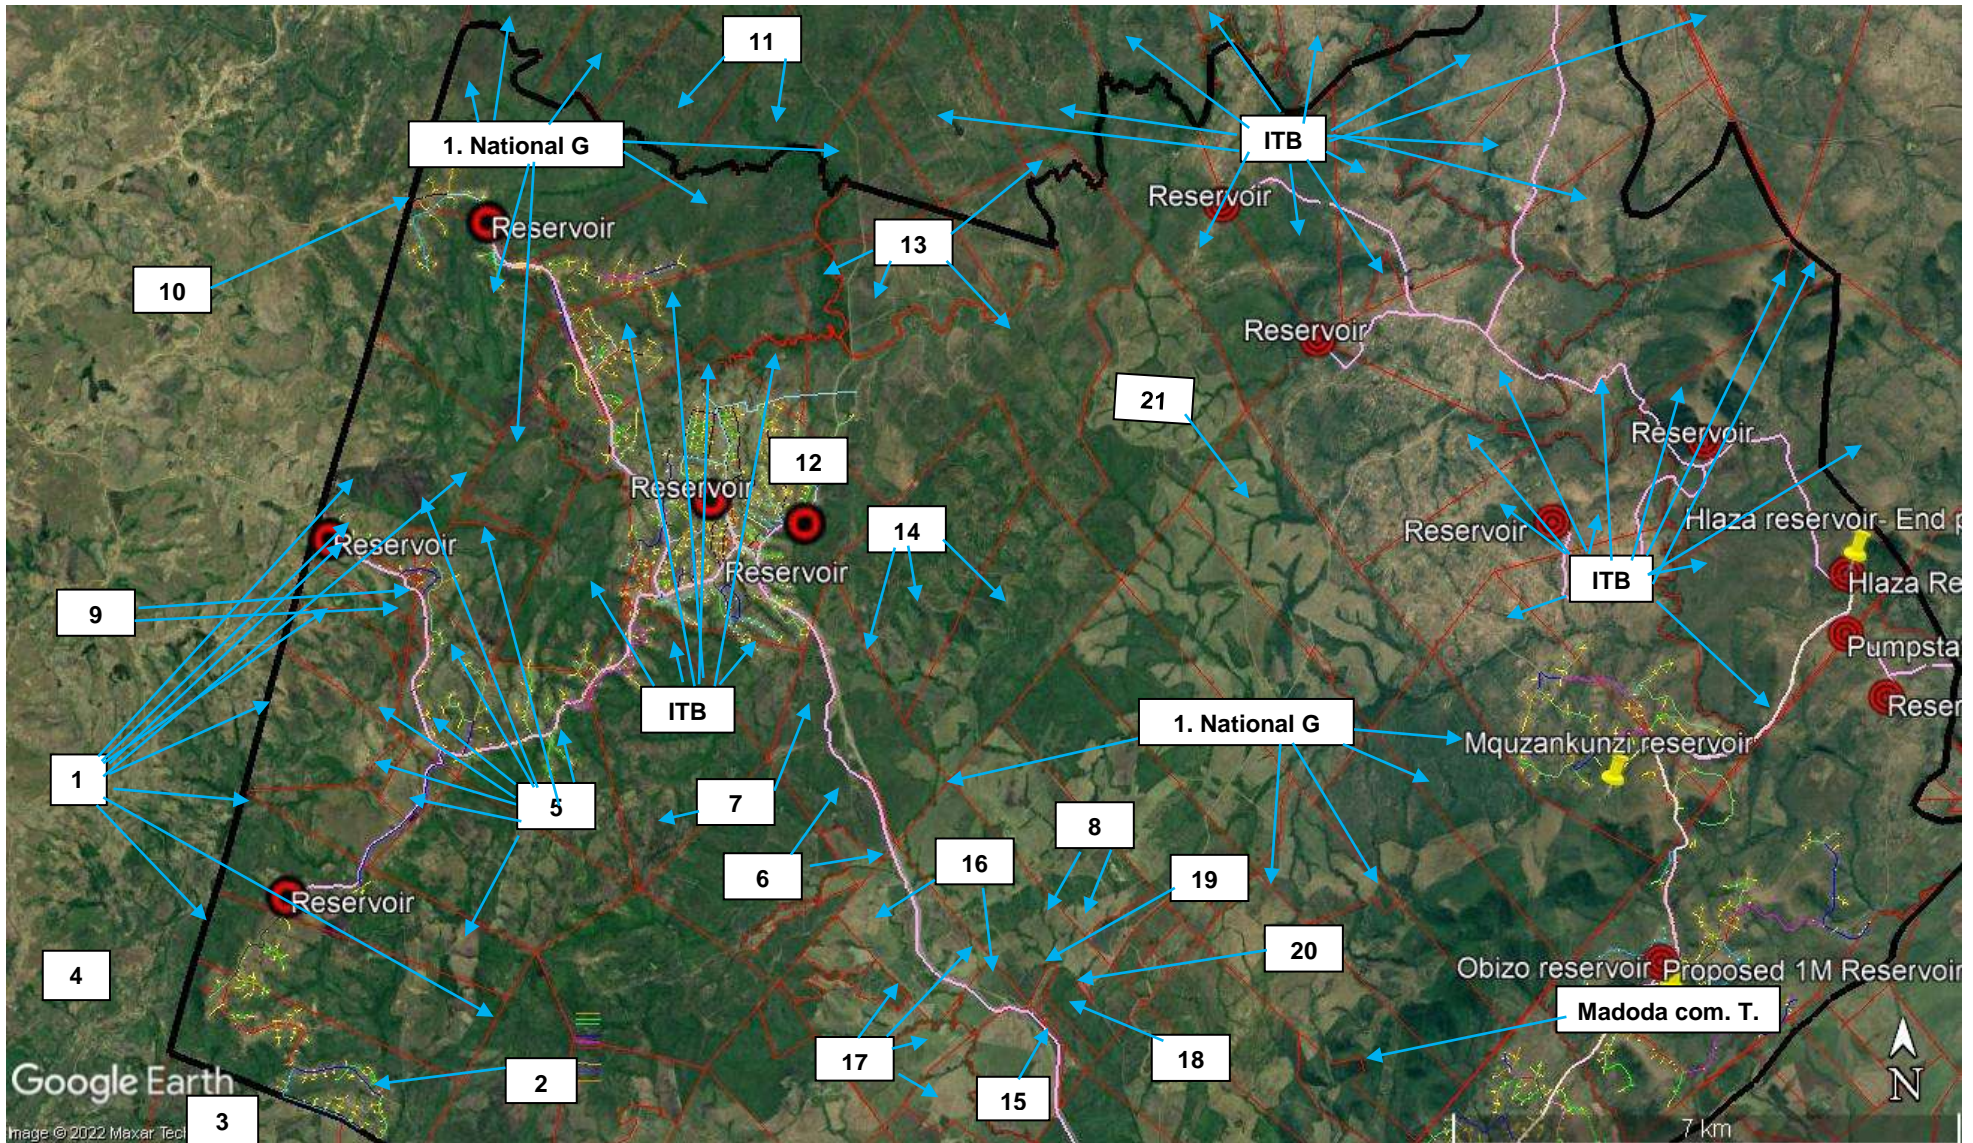

**\*PLEASE NOTE: INCOMPLETE APPLICATIONS WILL NOT BE PROCESSED. Allow 90 days from the receipt of all required documentation**

## Appendix 2: Public Participation – from the DBAR

### Notification of Interested and Affected Parties

- 1) *Fixing a notice board at a place conspicuous to and accessible by the public at the boundary, on the fence or along the corridor of:*
- i. the site where the activity to which the application or proposed application relates is or is to be undertaken and*
  - ii. any alternative site*

Fifteen (15) noticeboards detailing the project were erected at strategic points along the WSS pipeline route on the 05, 06 and 07 April 2022. See Appendix C – Proof of Placement of Notice Board.

- 2) *Giving written notice, in any of the manners provided for in section 47D of the Act, to:*
- i. the occupiers of the site and, if the proponent or applicant is not the owner or person in control of the site on which the activity is to be undertaken, the owner or person in control of the site where the activity is or is to be undertaken or to any alternative site where the activity is to be undertaken*
  - ii. the municipal councillor of the ward in which the site or alternative site is situated and any organisation of ratepayers that represent the community in the area*
  - iii. the municipality which has jurisdiction in the area*
  - iv. any organ of state having jurisdiction in respect of any aspect of the activity, and*
  - v. any other party as required by the competent authority*

The following steps were followed during the public participation process:

- Fifteen (15) noticeboards detailing the project were erected at strategic points along the WSS pipeline route on the 05, 06 and 07 April 2022
- An English and IsiZulu advertisement was published in the Ilanga newspaper on the 24th April 2022.
- All relevant authorities were notified via email of the application on 08 April 2022.
- All adjacent landowners and interest groups were notified electronically on the 08 April 2022.
- Meetings were held with the various ward councillors on the:
  - 01/03/2022 - Ward 31
  - 01/03/2022 – Ward 32
  - 09/03/2022 – Ward 33
  - 06/04/2022 – Ward 25
- Meetings were held with the respective tribal councils on the:
  - 01/03/2022 – Mambuka Tribal Council
  - 01/02/2022 – Somopho Tribal Council
  - 09/03/2022 – Obuka Tribal Council
  - 05/04/2022 – Ubizo Tribal Council

All relevant authorities and registered I&APs will be given the opportunity to review complete copies of the Draft BAR. The Draft BAR will be circulated for a legislated 30-day comment period.

See Appendix D – Proof of Notification.

- i. owners, persons in control of, and occupiers of land adjacent to the site where the activity is or is to be undertaken or to any alternative site where the activity is to be undertaken;*

E-mail notifications were sent out to all I&APs on the 08 April 2022. See Appendix D – Proof of Notification.

- 3) *Placing an advertisement in:*
  - i. one local newspaper; or*
  - ii. any official Gazette that is published specifically for the purpose of providing public notice of applications or other submissions made in terms of these Regulations;*
- 4) *Placing an advertisement in at least one provincial newspaper or national newspaper, if the activity has or may have an impact that extends beyond the boundaries of the metropolitan or district municipality in which it is or will be undertaken: Provided that this paragraph need not be complied with if an advertisement has been placed in an official Gazette referred to in paragraph (c)(ii)*

An English and IsiZulu advertisement was placed in the Ilanga newspaper on the 25th April 2022 detailing the proposed project, Basic Assessment requirements and to prove contact details of EnviroPro should anyone wish to register as an I&AP. See Appendix D – Proof of Advert Placement.

#### **Registered Interested and Affected Parties**

- 42. *A proponent or applicant must ensure the opening and maintenance of a register of interested and affected parties and submit such a register to the competent authority, which register must contain the names, contact details and addresses of:*
  - (a) all persons who, as a consequence of the public participation process conducted in respect of that application, have submitted written comments or attended meetings with the proponent, applicant or EAP*
  - (b) all persons who have requested the proponent or applicant, in writing, for their names to be placed on the register and*
  - (c) all organs of state which have jurisdiction in respect of the activity to which the application relates.*

The contact details of all I&APs who have registered have been provided in the Registered I&AP list in Appendix F.
