To your knowledge, will the Development impact on a heritage resource protected in terms of Sections 33,34,35,36, 37, 38, 39, 40, 41, 42, 43 of the KZN Heritage Act, or is the development located in the vicinity of any of the above. If yes, explain.

It is not anticipated that any heritage resources occur on the site as the proposed development occurs on transformed sugarcane plantations. An Environmental Management Programme has been developed for this project. Based on the above, it is unlikely that any heritage resources occur on site due to past and present agricultural activities. Nevertheless, should a heritage resource or artefact be discovered on site, appropriate actions will be taken
