

**NOTICE OF BASIC ASSESSMENT PROCESS:  
PROPOSED MACHADODORP PHOTOVOLTAIC (PV) SOLAR  
ENERGY FACILITY, MPUMALANGA PROVINCE  
DEA REF NO.: 14/12/16/3/3/1/738**

Dear Organ of State,

Solar To Benefit Africa (Pty) Ltd is proposing to establish a commercial photovoltaic solar energy facility as well as associated infrastructure on a site located ~4 km north-east of Machadodorp in the Mpumalanga Province on Portion 8 of the farm De Kroon 363 JT next to the N4 route in the Umsobombu Local Municipality. Based on a pre-feasibility analysis and site identification processes undertaken by Solar To Benefit Africa, favourable areas has been identified for consideration and evaluation through the various basic assessment process.

Attached hereto, please find a Background Information Document providing more detail regarding the proposed projects. Please can you advise who the correct contact person within your Department would be for this proposed project such that they can be registered on the project database. All registered parties will continue to receive information regarding the progress of the Basic Assessment processes for this project as it proceeds.

Please do not hesitate to contact me should you require any further information regarding the proposed project.

Sincerely,
