**APPLICATION FOR PERMIT:
ARCHAEOLOGICAL AND PALAEOLOGICAL SITES AND METEORITES**

Please note: Permit Applications expire one year after the date of receipt.

In terms of Section 35 (4) of the National Heritage Resources Act, 1999 (Act No. 25 of 1999) no person may, without a permit issued by the relevant heritage resources authority, destroy, damage, excavate, alter, deface or otherwise disturb any archaeological or palaeontological site or material or any meteorite; or bring onto, or use at an archaeological or palaeontological site any excavation equipment or any equipment that assists in the detection or recovery of metals or archaeological and palaeontological material or objects, or use such equipment for the recovery of meteorites.

Other application forms are available for shipwrecks (303), heritage objects, export of archaeological and palaeontological material (304); burials (305), the built environment and landscape (307) or the registration of private collections (402).

Applicants are advised that without full details no permit may be issued.
