Permit No.:

APPLICATION FOR PERMIT: BURIAL GROUNDS AND GRAVES

Please note: Permit Applications expire one year after the date of receipt.

In terms of Section 36 (3) of the National Heritage Resources Act, 1999 (Act No. 25 of 1999) no person may, without a permit issued by the relevant heritage resources authority:

(a) destroy, damage, alter, exhume or remove from its original position or otherwise disturb the grave of a victim of conflict, or any burial ground or part thereof which contains such graves;

(b) destroy, damage, alter, exhume or remove from its original position or otherwise disturb any grave or burial ground older than 60 years which is situated outside a formal cemetery administered by a local authority; or

(c) bring onto or use at a burial ground or grave referred to in paragraph (a) or (b) any excavation equipment, or any equipment which assists in the detection or recovery of metals.

Other application forms are available for archaeological and palaeontological material and sites (302), for shipwrecks (303), for the export or sale of heritage objects including archaeological and palaeontological material, material from shipwrecks and meteorites (304), for the built environment and landscape (307) or the registration of private collections (402).

Applicants are advised that without full details no permit may be issued.

A. DETAILS OF APPLICANT AND OTHER RELEVANT PEOPLE

1. Name and address of archaeologist or person who is to be responsible for the action(s):

Principal Investigator

Wouter Fourie
PGS Heritage
PO Box 32542
Totiusdal 0134

in association with:

N/A

E-mail: wouter@gravesolutions.co.za

Identity number: 740405191089

Identity number:

2. Qualifications and relevant experience:

Refer **Addendum A** for a *curriculum vitae*.

3. Name & address of a person who can serve as a reference:

Mr WC Nienaber
Biological Anthropology, Department of Anatomy, Faculty of Health Sciences,
University of Pretoria
Tel: 012 319 2244
Cell: 083 279 5738

4. Name and address of owner of the land:

Mr Itumeleng Moeng
 Eskom Holdings SOC Limited
 Reg: 2002/01527/06
 Land Development
 Megawatt Park, Maxwell Drive, Sunninghill, Sandton
 PO Box 1901, Johannesburg, 2000 SA

Phone: (W) 011 800 4114 **Fax:** 086 665 2128 **E-mail:** MoengI@eskom.co.za **Identity number:** N/A

Professional Grave Solutions (Pty) Ltd T/A PGS Heritage was commissioned by Eskom Holdings SOC Limited to affect the exhumation and relocation of this grave. Refer **Addendum B** for a copy of the Landowner's Letter of Consent.

5. Name & address of planning authority (where relevant): Not applicable

Phone: (H) (W) (C) **Fax:** **E-mail:**

6. Have arrangements been made to cover the cost of the action(s) (Please circle as appropriate-):

YES NO

7. Name and address of the South African scientific institution (if applicable) that will curate the material recovered if it cannot be re-interred: Not applicable**B. DETAILS OF GRAVE OR BURIAL GROUND****8. Name(s) of place:**

The Eskom Sub-Station is referred to as the Mokoodi Sub-Station, with is on the Rosendal Farm no. 673.

- 9. Is the grave/ burial ground that of** - **Victim(s) of Conflict?** *(Please circle as appropriate)*
and/or - **older than 60 years?**
and/or has the grave been - **found accidentally during the course of development?**

10. Brief description:

The Mookodi Sub Station graves are located on the farm Rosendal 673. The cemetery contains six stone packed graves which lie next to one another in a row orientated northeast to southwest. None of the graves have inscribed headstones only oval shaped stone mounds identifying each grave. The graves have been enclosed with a barbed wire sturdy fence with no gate. The cemetery is located 100 metres east of the substation live chamber.

Plate 1 - The cemetery within its regional context

Plate 2 - Regional Setting of site

Plate 3 - Google Earth image showing the cemetery within its local context.

11. Evidence for date of grave(s):

None of the graves in this cemetery contain dates or details of who was buried here. No material culture was found in association with the graves that indicates the date at which these individuals were buried or their origins. It will then be assumed that the graves are older than 60 years.

Plate 4 – Cemetery, viewed from the east the Mookodi sub-station in the background.

12. Geographical Situation of Site or Object (Please mark general location of grave(s) on a photostat of a 1:50 000 map (NB))

Province: North West

Magisterial district: Naledi

Latitude & Longitude: 27° 0'32.67"S 24°44'46.69"E

Farm Name and No.: Rosendal 673

1: 50 000 Map number: 2724BA

Recording method (GPS, Trig., Other): GPS

Nearest Town: Vryburg

Plate 6 - General location of graves on a 1:50 000 map

13. If it is a national or provincial heritage site / object, the number and date of the notice in the *Government Gazette*:

Not applicable

C. REASON FOR APPLICATION

14. Purpose of and reasons for application:

The Eskom Mookodi Sub-Station

15. Period for which permit is required (Permits are not normally issued for periods longer than three years):

From: as soon as possible **To:** December 2014

16. Nature of activity. *Please circle the appropriate activities below*

~~Destruction or Damage*~~

Exhumation and re-interment*

Excavation*

Other*

*: Refer C.14. above.

Alteration* (e.g. Restoration)

Removal from original site*

Bring into use a metal detector or other equipment**

D. PREREQUISITES FOR PERMIT

17. Please indicate what arrangements have been made for the exhumation and re-interment of the contents of the grave(s)(provide documentation and details):

All excavation, archival and research work as well as social consultation will be handled jointly by PGS Heritage and Martins Funeral Directors.

The unknown graves will be buried in the closest municipal cemetery (Huhudi) with full details of how the graves were reburied in the same manner as previously found. PGS Heritage has been appointed with sufficient financial provision to conduct the process in compliance with relevant legislation and to industry best practice standards.

18. Please give details of consultation with communities and individuals who by tradition has an interest in the grave(s), and of the agreement reached with such communities and individuals (*as required by Act 36 and the relevant Regulations Chps IX and XI*)(provide documentation and details):

All six the graves will be adversely impacted upon by the proposed expansion of the substation.

We have conducted an intensive process of social consultation in order to identify the buried individuals and to obtain permission for exhumation and re-interment from the affected families, communities and other *bona fide* interested and affected parties.

This intensive process commenced on, 21 November 2013 with the erection of bilingual (English and Setswana) site notices at the graves (refer **Annexure C and D**). Bilingual (English and Setswana) newspaper notices were published in the Stellalander on Wednesday, 15 January 2013 and in the Daily Sun on Friday, 17 January 2013 (refer **Annexure E**). With no response from the previous notices, radio notices were broadcast over the week of 3-9 March 2014 and 9-14 April 2014(refer **Annexure F**).

The intensive physical social consultation process commenced on Tuesday, 28 January 2014 and the methodology followed in terms of this consultative process comprised the following:

Tuesday, 28 January 2014

- Met with Theo Bodvin (Community Liaison Officer, Eskom) at Mookodi substation (Eskom) and received adjacent landowner contact details from him. He suggested specific landowners and Municipality contact and Traditional leader (Kgosi Mahuru). On further communications, the adjacent landowners could not provide any information regarding the graves in question.
- Met with Mr. Hemley Seimelo (Museum & Heritage @ Naledi) in afternoon, he arranged a meeting with Kgosi Mahuru of Dithakwaneng Traditional authority regarding families of graves on the Wednesday. Mr Seimelo further assisted in contacting additional community members who

were more likely to have information about the 6 graves in question.

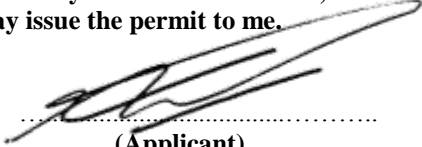

Wednesday, 29 January 2014

- Met with Kgosi Mahuru, explained the project and that PGS was looking for information on families who are associated with the graves at the Mookodi substation. He said he will have to consult with community and requested letter to explain in writing what we want. PGS was granted permission to put a public notice (Setswana) regarding the graves on the noticeboard at his office.
- Mr. Seimelo assisted PGS further to visit a family who are living at an old house close to the substation and graves for a long time (since 1989) but the person did not know anything about the graves in question.
- Mr. Seimelo was further shown the graves at the substation so that he could show people if he found anyone who claims to be next of kin.
- Mr. Seimelo further introduced the PGS staff to the principal of the High School at the local township (Mahudi). Mr. Kwati (principal) assisted in placing a notice on the school notice board (English) and also offered to consult with parents at the next school meeting (in the next week).
- PGS staff was directed to visit Tiger Kloof School, which has been in existence since 1902. The School Librarian, M's. Cara Pieterse, further directed our staff to the land owner adjacent to Tiger Kloof as someone who knows a lot about the history of the area. At Tiger Kloof School, further historical information outside the school history was known. The Tiger Kloof staff did however offer to consult with old pupils during their anniversary celebrations beginning of March 2014. No further feedback was received from this.

Of the six graves located here, no graves had been positively identified by the affected families. It is believed that this is as a result of the old age of the graves.

I, Wouter Fourie

Undertake strictly to observe the terms, conditions, restrictions, regulations, and guidelines under which the Council may issue the permit to me.

From May 2006, certain permit applications submitted to the South African Heritage Resources Authority, SAHRA, in terms of the National Heritage Resources Act (Act No 25 of 1999) must be accompanied by payment of the appropriate fee (PTO).

Permit Applications made on **SAHRA APM Permit Form No 305** will carry the following fees:

1. Permits issued by SAHRA Archaeology, Palaeontology & Meteorite Unit (APM) Unit for burials	Fee	*Application Code
i. Application fee for burials disturbed or relocated in terms of s.36 in consequence of development;	R250 unless SAHRA directs otherwise	*AP305BUR
ii. Application fee for accidentally discovered burials disturbed or relocated in terms of s.36;	Exemption	*AP305BAE
2. Permits issued for Victims of Conflict in terms of s.36;	Exemption	*AP305EXE

Kindly ensure that you supply the Application Code (see table above*) followed by the surname of the permit applicant, in the reference section of the bank deposit slip.

For example, AP305BUR MGUNI would be entered in the reference section of the bank form for an application for restoration or relocation of a grave from an applicant with the surname Mguni.

Charges may be waived, at the discretion of SAHRA Chief Executive Officer, for certain permit applications. It should be NOTED that SAHRA may, in terms of section 3 of the SAHRA permitting regulations, require that a financial deposit be lodged with SAHRA to safeguard a heritage resource until satisfactory completion of the action for which the permit is required.

PAYMENT may be made by depositing the relevant amount into the SAHRA bank account and faxing or producing the proof of payment (i.e., stamped deposit slip, internet banking confirmation, etc.), OR through Internet Banking and emailing or faxing proof of payment, OR by cheque, on application.

PLEASE TAKE NOTE THAT APPLICATIONS NOT ACCOMPANIED BY A PAYMENT OR PROOF OF PAYMENT MAY NOT BE PROCESSED UNLESS EXEMPTED ABOVE OR BY SAHRA.

SAHRA BANKING DETAILS:

**South African Heritage Resources Agency
ABSA Bank, Adderley Street; Cape Town
Bank Code: 63 2005; Account Number: 40-6416-0070.**

Should you have any queries please contact the appropriate unit via: SAHRA, PO Box 4637, Cape Town 8000; or by email at info@sahra.org.za; or Tel: 021 462 4502; Fax: 021 462 4509.

Dear Mr Fourie

**MOTIVATION FOR GRAVE RELOCATIONS ASSOCIATED WITH THE ESKOM
MOOKODI SUBSTATION PROJECT**

The Environmental Impact Assessment (EIA) for Mookodi substation was done in 2008 and the Environmental Authorisation (EA) was issued in August 2010. Anthropological and archaeological assessments also formed part of the EIA process and were conducted by specialists in the field. The EIA and project process include the evaluation of development alternatives so as to minimise the impact of the project on the environment, communities, heritage sites etc.

During the site establishment in preparation for the construction of the substation, the Project Team discovered 6 graves within the substation yard; the affected graves are within the property that was bought by Eskom for the construction of Mookodi substation. Due to the future expansion of the substation and to prevent any impact to these graves located within the Mookodi substation, Eskom prefers them to be relocated to a safe location.

This letter serves to confirm that PGS Heritage has been appointed by Eskom Holdings SOC Limited (Eskom) to relocate the remains of the 6 graves on behalf of Eskom. They will further also be assisted in this regard by Martins Funeral Directors.

You are welcome to contact Mr Fourie directly on email: wouter@gravesolutions.co.za or 082 851 3575.

Yours sincerely

ML Mafumo

2013/11/21

**NOTICE: PROPOSED RELOCATION OF HUMAN REMAINS AT ESKOM MOOKODI SUBSTATION,
VRYBURG, NORTH WEST PROVINCE**

Notice is hereby given that:

PGS Heritage

intends applying in terms of Section 35 and 36 of the National Heritage Resources Act (Act 25 of 1999); and Regulations relating to the management of human remains as set-out by the National Health Act, 2003 (Act 61 of 2003) as well as the relevant local regulations;

to the:

Provincial Administration of the province in which the graves are located, the South African Heritage Resources Agency (SAHRA) or their legislated provincial agency and the relevant local municipality

for approval to exhume and re-inter in a local cemetery the remains currently buried at this location:

- 1) *Eskom Mookodi Substation, Vryburg, North West Province, South Africa (on the Farm Rosendal 673 at S 27 00 35.63 & E24 44 38.18).*

The human remains will be exhumed from their current place of burial and reburied in the Vryburg Municipal Cemetery or at a new location *as per* the request of the deceased's families.

The proposed relocation of the remains is necessitated because of the planned extension of the Mookodi Substation on the property where they are currently located.

All persons and communities descendant from the buried individuals, all persons and communities by tradition concerned with the graves or any person or communities with an interest in the graves are invited to participate in the process and must forward their contact particulars to the address listed below **within 60 days of the date of publication of this notice**:

Vinnige markinslag vir RealNet Vryburg

Die nuwe RealNet-konsep op Vryburg het vinnig inslag in die plaaslike mark gevind en het die eerste eienaarstransaksies beklank pas nadat die deure geopen het.

"Ons het regtig 'n baie warm ontvangs in plaaslike mark geniet, tot so 'n mate dat ons reeds drie nuwe agente en 'n administratiewe assistent moes aanstel," sê eienaar Ansie Koekemoer.

Die nuwe RealNet-konsep op Vryburg het vinnig inslag in die plaaslike mark gevind en het die eerste eienaarstransaksies beklank pas nadat die deure geopen het.

Ondanks knellende droogtoestande is Louis steeds in aanvraag. sê Ansie se vennoot, Plous Koekemoer. "Kopers uit Gauteng, wat by afrede hul hand aan uitgebreide beesboerdery wil waag, soek nu geskikte grond en ons is reeds besig om ons eerste plaastransaksie af te handel."

Back to school safety

This week, schools around the country re-open for the 2014 academic year.

Although the kids may be keen to return to see their friends it can be a time of anxiety for parents, especially those whose children have to travel to and from school unaccompanied.

A safety specialist, Clive Humphrey, offers advice that could help put parents' minds at ease. "Share these tips with your children and encourage them to use them every day."

- Always walk to or from school with a friend or friends. Stick to streets you know and never take short cuts through quiet areas or empty parking lots.
- If you get picked up at school, always wait inside the school grounds for your lift to arrive; do not leave the premises.
- Never get into a stranger's car even if they claim that someone you love is hurt and that they are supposed to pick you up. Remember, your parents would never send someone you don't know to fetch you.
- If a stranger approaches you, do not talk to them no matter how friendly they may seem. If someone tries to grab you, fight, kick and scream.
- For some families, a tight budget may mean that a domestic helper or au pair is not an option. In some cases children have to see themselves to and from school and keep occupied until mom and dad return home in the evening.
- "It is very important that the children know how the alarm system and panic buttons work and when and how to use them," says Humphrey.
- "Also make a list of important telephone numbers such as the emergency services and mom and dad's work and cell phone numbers. Stick it on or near the telephone and explain when these should be used."
- "Emphasise how important it is not to let anyone into the house without your permission. If you are going to be late let your children know as soon as possible and give them an idea of when they can expect you home," he adds.

"Ons is ook reeds besig om verskeie koopkontrakte vir huise sowel as plaas te handel, ondanks die knellende droogte wat druk op die plaaslike landboubedryf plaas."

Sy sê Manda Schoon is aangestel as agent vir Vryburg se woodhuis-mark. Francois van der Bergh het aangesluit as die agentskap se landbouspesialis en Mario Alfonso (subt, korrekte spelling) beman die nuwe satellietkantoor op Delareyville.

"Chenene Feldhaus is in beheer van ons admin by die Vryburg-kantoor, en ons verwag 'n selfs sterker verouting in die plaaslike mark in die komende jaar danksy ons groter en gesedruifde verkooppaas."

Die konsep het ook vinnig 'n impak op omliggende gebiede gemaak, soos onderstreep deur die beo-

te aan 'n satellietkantoor op Delareyville, sowat 80km vanaf Vryburg, sowel as die feit dat die konsep verskeie huise te koop op die boeke het in gebiede so ver as Schweizer-reneke, 65km vanaf Vryburg.

Koekemoer sê voorts dat gesinhuise op Vryburg in die prysklas R1m tot R1,6m nou in groot aanvraag is. "Maar die heel eerste huis wat ons op Vryburg verkoop het, was vir ons baie spesiaal. Die mooi kotuise met net een slaapkamer op 'n pypstee-erf is aan 'n eerste koper verkoop en ons het dus goeie rede vir 'n dubbeldoor viering gehad."

Plase se pryse wissel nou tussen R4500/ha vir eenhede van tot 10 000ha in die droër dele wat vir uitgebreide beesboerdery geskik is, en sowat R7000/ha vir kleiner eenhede van tussen 500ha en 2000ha wat vir gemengde boerdery geskik is.

AnsieKoekemoer by 083 308 5123 of ansiek@realnet.co.za of besoekwww.realnet.co.za

Dié woning op Vryburg is onlangs deur Ansie Koekemoer van RealNet vir 'n kontantprys van R1,1m verkoop slegs 11 dae nadat die eiendom in die mark vrygestel is.

NOTICE: PROPOSED RELOCATION OF HUMAN REMAINS AT ESKOM MOOKOOB SUBSTATION, VRYBURG, NORTH WEST PROVINCE.

Notice is hereby given that: PGSS Heritage Agency (SARHA) or the applicable provincial agency and the relevant local municipality for approval to exhume and re-inter in a local cemetery the remains currently buried at this location:

(1) Eskom Mookoob Substation, Vryburg, North West Province, South Africa (on the Farm Roosterd 673 of 27 00 35 62 & E24 44 28 19)

The human remains will be exhumed from their current place of burial and reburied in the Vryburg Municipal Cemetery or at a new location as per the request of the deceased's families.

The proposed relocation of the remains is necessitated because of the planned extension of the Mookoob Substation on the property where they are currently located.

All persons and communities descended from the buried individuals, all persons and communities by tradition connected with the graves or any person or communities with an interest in the graves are invited to participate in the process and must forward their contact particulars to the address listed below within 14 days of the date of publication of this notice:

Mr. Wouter Fouke, PGSS Heritage, PO Box 20542, Tlokoeng, 0134
Tel: 012-332 5305, Fax: 086 675 8077, Cell: 082 801 3573, E-mail: wouter@gravesolutions.co.za
