Good day

Following our telecommuque and the email, the notice you intend to issue for the locals can only be through revie, observer and Capricorn voice. we have no local newspaper. As for the municipal news letter, it will only be issued in the 1st quarter of the new financial year which starts in July. However the municipality can utilize facebook and website to enhance the spread of the Notice to the rest of the public. Kindly send the notice via my email address and continue to advertise on local newspapers mentioned above.
