Please note: We are compliant with the Protection of Personal Information (POPI) Act (see attached letter). Your personal information will be used for the purposes of this project only and will not be shared to third parties outside of this project or made public without your permission or knowledge. We will, however, make all stakeholder comments available to the public, although these will be kept anonymous. Please sign below to indicated that you are aware of and accept these terms.

Which town/ towns are you affiliated with or in which town do you stay?

What is your affiliation (e.g., private citizen, government institution, commercial fisheries, small-scale fisheries, conservation organisation, fisheries fund/ trust, community forum, etc.)

Name of institution/ company/ department that you are affiliated with (if applicable).

Government departments, please also specify your directorate and sub-directorate. Please ignore this question if you are a private citizen or small-scale fisherman with no official company

Your role in this institution (e.g., fisherman, citizen, member, Chairperson, Director, community representative)

Are you or the community you represent a user of this area? If yes – please describe how you use the area.

If you think you or the community your represent might be affected by this project, please explain how or why you think this might happen?

For those who are involved in fishing, please indicate what sector you belong to (e.g. rock lobster, traditional linefish, small pelagics) and whether you are a recreational/small scale commercial/subsistence/commercial fisher.

Please describe the location and details of your main fishing grounds.

(e.g. how far do you fish offshore? Do you fish on rocky reef or sandy areas or both? You can also attach or insert a map).

In which months do you fish and what times of the day (please indicate if this is different for different species)

Are there any areas that you recommend should be specifically avoided during prospecting?
(e.g., high profile reef areas or fishing grounds?). Please specify.

Are you aware of any sensitive areas that should be avoided?
(i.e., heritage sites, special environmental features or areas etc.)? Please provide details.

Are you aware of any other impacts that his project might have on the community or environment? Please provide details.

Do you have any mitigation measures to propose?

--

Do you know of any other persons, organisations or parties that should be notified?
Please provide contact details.

--

If you have any additional comment, questions or concerns, please elaborate.
