**KING NAMALAMBA THE GREAT**  
My name is Carthbert from Zimbabwe, I live in Benoni 078 607 3210. I once thought I'll die poor because of the financial problems I had. I have been struggling, I tried different sangomas, prophets to help and pray for me but failed. I tried to play lotto and any gamble but failed too. One day on my way to Botswana I bought a magazine and read the good news of **KING NAMALAMBA**. I didn't waste time but to call him then he gave me a chance to choose between **Miracle Ring** for gamble and win money, **Miracle Wallet** for daily cash, **Miracle Cat** for money in the house weekly and **Miracle boys** for money in the bank once off. I chose the miracle money from the short boys, when I came back from Botswana I told him that I want the boys to put money in my account. I gave him my bank details. After few hours my sister in Zimbabwe called me and told me a lot of money is deposited in my account. I went home same week and managed to use the money then paid 15% to the KING, now I am a BOSS, I bought houses, 6 trucks and buses that transport people and goods. Don't waste your time call **KING NAMALAMBA** for a change then you'll be happy forever **071-877-2779**  
I am Jennifer from Benoni, I wanted to kill myself because of financial problems, but after I heard the good news of **NAMALAMBA** from Carthbert who is very rich now after being helped by **NAMALAMBA**, I decided to contact him as well and chose the miracle wallet that brings money every day and paid him 15% weekly, while my cousin Sipho is getting rich by using the **Miracle Cat** from **KING NAMALAMBA** that brings money in the house weekly and he managed to buy shares from a well-known supermarket. Through **NAMALAMBA** our lives has changed completely. Carthbert also bought franchises. Our business is legit. It's **KING NAMALAMBA** who is helping us to get more money through his miracle powers. **NAMALAMBA** is helping with different problems like: Get quick marriages, a baby your choice, divorce, financial problems, male/female problems, enlargements, win gambles, bind properties, finishing unfinished jobs and many more. **DO YOU KNOW THAT WITH JUST R260 MAMA ZIMBA CAN ASSIST WITH ALL YOUR FINANCIAL PROBLEMS**  
My name is Nicholas Nkutu from Soshanguve. I am here to testify about the miracle that **Mama Zimba** performed in my life. I read Thembekile's testimony in a daily newspaper, whereby she testified what **Mama Zimba** did for her, it was so touching that I decided to call **Mama Zimba** right away so I can hear for myself. When I called her she assured me that everything will be well with me. She explained 4 ways she uses to assist people facing financial problems. These were as follows: Short boys, magic wallet, rats and gambling. I chose the short boys to put money into the account of a customer, after giving banking details I only waited a few hours. I was astonished to receive a notification showing the amount of money being deposited into my account. I could not believe my eyes, I was shocked with joy. This marked an end of my poverty, I then paid **Mama Zimba** 10% of the money I got. **Its true the licence of your fortune is in your hands. You can get her on 078-928-6846 081-478-9479**
