PROGRESS REPORT : SOCIAL FACILITATION MEETINGS

Katlego Projects and APAC visited Tzaneen on 8 November 2016 and met with the relevant families who responded to the notices placed regarding the exhumations. We consulted with the families and got positive feedback regarding the project. The relevant family members have pointed and claimed their loved ones graves and consented to the exhumation and reburial of the graves. There was also new graves pointed out that was not initially documented.

Please find below details of the different sites:

- *Site 25 Vallambria 681 LT* - No response to Notices, Grave still unclaimed

We are in possession of all the original claim and consent forms that will be used in the permit application process. We recommend to start the permit application process early in 2017 due to the festive season that is upon us and to give more time for information to come forward regarding the unclaimed sites.

We are very satisfied with the progress this far.

Should there be any questions or comments please contact me at any time.

Regards
