Good morning Luzuko,

I trust you are well. I have been attempting to contact you on your cell without success. Apologies in advance for the various missed calls.

Please can you assist with the upload of the Mamatwan mine EIA to SAMRAD; DMRE REF: NC 30/5/1/2/2/(10198MR).

I have sent a corresponding email via AMS file transfer where a Zip file of the EIA report and associated appendices can be accessed.

Please can you confirm receipt of this email, the AMS file transfer link, and that all is in order for the SAMRAD upload?

I look forward to hearing from you.

Thanks and regards,  
Edwynn
