Attachments: Aldag&Lylyveld PCD Project SAHRA Final Comments.pdf

Importance: High

Good Afternoon Johannes

Hope you are doing well. In reference to Mashau email below and the application for environmental authorisation for the proposed Sishen Mine overflow dam at Aldag Pollution Control Dam (PCD) and Lylyveld PCD project.

Please find attached final comments from the South African Heritage Resource Agency (SAHRA) on the proposed project received after the submission of the Final Basic Assessment Report (BAR). The SAHRA has no objection to the development and support the recommendation of the specialist and the recommendation in the final BAR as submitted to the DMR.

Please would you acknowledge receipt of the SARHA comments.

Thank you in advance for your assistance in this regards.

Yours Sincerely;

Roelof Letter
Senior Environmental Scientist
Associate Director

Please forward comments to Johannes directly.

He is currently finalizing the authorization. The financial guarantees have been made available to him as well.
