Hallo Anton,

Our telephonic conversation refers.

Please find attached:

1. The project description of the national project that the Military Veterans in partnership with Freedom Park are busy with.
2. The most probable site of the graveyard of the Olifantsfontein Concentration Camp graveyard. Coordinates are 25° 56' 56.16" S and 28° 13' 00.96" E

Our aim is to ensure we have the exact correct position for our project.

No re-burial or removal of anything is foreseen, just confirming that we have the actual position located.

Our time frames are very short, so your urgent attention is really appreciated. We need to confirm the location by latest 10 August 2015, as we want to do the media launch at the spot via Freedom Park not later than 15 August 2015. The actual pilot project at Olifantsfontein will be on Thursday 24 September 2015.

We will be meeting this coming Saturday morning 18 July 2015 at 08h00 with all the senior roll players in Olifantsfontein to confirm the actual activities for the above mentioned dates.

Many thanks in advance.

Regards,

Jan
