Dear Ms Jupp

**DRAFT ENVIRONMENTAL SCOPING REPORT: PROPOSED DEVELOPMENT  
OF THE KOEDOESKLOOF LANDFILL SITE NEAR UITENHAGE**

Thank you for your indication that extension of a landfill is going to take place in this area.

As requested in October, 2010 after receiving the Background Information Document, SAHRA requires that a heritage impact assessment is undertaken for this project. According to the information provided at page 111 of the draft environmental scoping report, specialists' studies for both archaeology and palaeontology are proposed to be undertaken and they will be submitted to SAHRA for comments.

Yours sincerely
