*Please note that previous reports, Harvard 1 incorrectly referred to the property as Portion 8 of Farm Spes Bona 2355. Portion 8 is reflected in the SG Diagram, SG code, and the DFFE Screening Tool. This portion was subdivided from Portion 5 of Farm Spes Bona No. 2355 and registered at the Surveyor General office (SG code F00300000000235500008), but this has not been finalised at the Deeds Office. The property can therefore not be referred to as Portion 8, but as Portion 5.
