NOTICE OF ENVIRONMENTAL IMPACT ASSESSMENT PROCESS

SAN MIGUEL FRUITS SA (PTY) LTD is proposing the expansion of agricultural activities on the farm known as River Bend Citrus Farm, near Addo, Sundays River Valley Municipality. The expansion process is proposed to take place on the following affected properties (Remainder of Farm 82 Wolve Kop, Portion 1 of Farm 77 Welshaven and Portion 3 of Farm 77 Honeyvale), approximately 1058 ha in combined extent. The project will entail the clearing of vegetation and development of approximately 300 ha of land. In terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) as amended ("NEMAA") and the NEMA EIA regulations, 2010, GN R543, 544 and 546 published in Government Gazette 33306 on the 2 August 2010 (as amended), the project requires scoping and environmental assessment because it includes, amongst others, the following listed activity in GN R545:

16) The physical alteration of virgin soil to agriculture, or afforestation for the purpose of commercial tree, timber or wood production of 100 hectares or more.

Other listed activities triggered by the project: GN R544: Activities 11. (iv); 18. (i) and 42; and GN R546: Activities 2. (a) iii (dd) & (ff); 4. (a) ii (ee) & (gg); 13. (a) & (c) ii (ff) and 14. (a) i and 23. (a) ii (gg).

Public Process Consultants have been appointed by SAN MIGUEL FRUITS (PTY) LTD as Environmental Assessment Practitioners (EAP) to undertake the Scoping and EIA process for this project. Information on the project can be accessed on the following website www.publicprocess.co.za
