Dear Madam

RE: NEW SANRAL EASTERN REGION OFFICE BUILDING PIETERMARITZBURG.

REZONING APPLICATION

In preparing documentation for the construction of the above project, a SPLUMA rezoning application is being applied to rezone the greenfield site from special residential to office use.

A requirement of the zoning application is to receive consent from AMAFA that it has no objection to the development and accordingly supports the zoning application. To this end please find attached a copy of the site location plan.

Your kind consideration of the above request will be appreciated.

We trust the above is in order.

Thanking you in advance.

Yours faithfully

.....
