PROPOSED TOPIGS SA MERINO PIGGERY PROJECT ON  
PORTION 0 (REMAINING EXTENT) OF THE FARM MERINO 641  
IR, MPUMALANGA**

Dear Nokukhanya

Your letter dated 25<sup>th</sup> of May 2015 and obtained from SAHRIS on the 26<sup>th</sup> of May 2015 refers:

Please herewith find our formal response to SAHRA's comments:

A Pelsers Archaeological Consulting has commenced with Phase 2 Mitigation Work, including an application for an Archaeological Permit, mapping, excavation work and an application for a Destruction Permit. The necessary applications have been submitted to SAHRA via SAHRIS and the reports will also be provided in due course.

The graves will be fenced with an entrance gate and the relatives of the graves will be given access the graves as and when they request it.

Regards,

---
