Dear Sir or Madam:

RE: NOMINATION: FORMAL PROTECTION ERF 9245, STRAND STREET, CAPE TOWN

We refer to the above and act on behalf of the Evangelical Lutheran Church, Strand Street (herein referred to as 'ELC'). We hold instruction to direct this correspondence to you relating to the nomination by the ELC of their property, erf 9245, located in Strand Street, Cape Town, for formal protection in terms of section 27 of the National Heritage Resources Act.

It has come to our client's attention that the Habitat Council intends to nominate the warehouse building on erf 174009 for formal protection. It is our instructions that the nomination might be made in a manner that would link the nomination of the warehouse to that of our client's property.

We would like to place on record that our client has incurred huge expenses during the process of research and nomination. Our client has not consented to the duplication or use by third parties of any of the documents lodged by our client with SAHRA.

Our client would like to ensure that the nomination for formal protection of any other property other than that of our client, is dealt with as a separate nomination and not associated in any way with that of our client's.

Our client also wishes to be informed should such a nomination be received by SAHRA.

Yours Faithfully,
C H SMART
