Dear Mr Rwigema,

**Re: Solafrica Concentrating Solar Thermal Power Plant On A Portion Of
The Farm Bokpoort 390 In The Siyanda District, Northern Cape**

SAHRA would like to confirm the recommendations included in the Review
Comment sent in September 2006.

Therefore, SAHRA hereby consents to the intended Solafrica CSP project on the
Farm Bokpoort in terms of the National Heritage Resources Act, 25 of 1999. It is
requested that a permit is obtained from SAHRA for the destruction of the Stone
Age scatter of low cultural significance, identified on the property during the
archaeological survey, prior to the commencement of construction.

Many thanks for your co-operation
Kind regards

MGalimberti
