Dear Sir

SAHRA NOTIFICATION – GOLDEN GATE RETICULATION PROJECT

In terms of Section 38 (1) (a) of the National Heritage Resources Act (Act 25 of 1999), notice is hereby given for the proposed construction of the Golden Gate power line.

This project entails an 8.5km, 22kV power line for 32 KVA additional supply to the Golden Gate National Park.

Should any heritage resources be discovered during the construction of electrification infrastructure, all work will cease immediately and your agency will be contacted. We trust that this meets with your approval. However, should you have any queries, please do not hesitate to contact undersigned.

In compliance with the National Heritage Resources Act (Act 25 of 1999), we would like to register this project with your agency.

Your prompt response regarding this matter will be highly appreciated.

A handwritten signature in black ink, appearing to be 'A. van Gensen', written over a horizontal dotted line.
