Dear Sir

**RE: Grade 1 Landscape. Zandvliet/Delta, Portion 4 of Farm 1460,  
Deltameer, Paarl. Proposed Additions to Existing Structures. Renovation, Alteration  
and Landscaping (9/2/069/0041).**

SAHRA concurs with your research finding that the Old Stables and Longhouse building are not of 19<sup>th</sup> Century origin based on historical research and archaeological analysis.

Further to this, after analysis and discussion with you, we have concluded that the proposal is sensitive to the farmscape and surrounding heritage resources. We therefore do not object to the proposal.

Should you have any queries in this regard, please do not hesitate to contact the Provincial Manager, Beverley Crouts-Knipe at [sahra.wcape@mweb.co.za](mailto:sahra.wcape@mweb.co.za) and [bcrouts-knipe@wc.sahra.org.za](mailto:bcrouts-knipe@wc.sahra.org.za).

Kind regards  
Yours Sincerely

  
**Beverley Crouts-Knipe**
