### **SAHRA NOTIFICATION –Selosesha-Bultfontein 11kV powerline**

In terms of Section 38 (1) (a) of the National Heritage Resources Act (Act 25 of 1999), notice is hereby given for the construction of an 11kV feeder that takes off from the Selosesha-Bultfontein feeder at pole SBT49-55-14.

This project entails the construction of a 505.3m long fox conductor from T-off SBT49-55-14 to pole SBT49-55-14-6 which will be connected to Mrs. K.O. Motumi's 16KVA transformer. The project will be commenced in the Thabanchu area (Mangaung Metro), Free State province. Please find the locality map as an accompaniment to this letter. The map displays mainly the existing line route and the vicinity in which the line will be build. The new line route will partially deviate from the existing line along the existing route.

Should any heritage resources be discovered during the construction of our infrastructure, all work will cease immediately and your agency will be contacted. We trust that this meets with your approval. However, should you have any queries, please do not hesitate to contact the undersigned.

In compliance with the National Heritage Resources Act (Act 25 of 1999), we would like to register this project with your agency.

Your prompt response regarding this matter will be highly appreciated.

Regards,

Mahlatse Moeng
