Final Environmental Impact Report for the proposed construction of 75MW solar panels on the farm Grootspuit 252/0, Odendaalsrus RD

Reference is made to the Scoping and Impact Assessment process currently underway in respect of the proposed construction of 75MW solar panels for the generation of electricity on the Remainder of the farm Grootspuit 252/0, Odendaalsrus RD.

Please find herewith one electronic copy of the Final Environmental Impact Report, dated November 2013. Please also take note that a copy of the mentioned final documentation was also submitted to the Lejweleputswa District Municipality, Matjhabeng Local Municipality, Department of Water Affairs (DWA), Eskom, Free State Department of Economic Development, Tourism and Environmental Affairs (DETEA), Free State Department of Agriculture, Department of Agriculture, Forestry & Fisheries (DAFF), South African Heritage Resources Agency (SAHRA), Department of Environmental Affairs (DEA), Endangered Wildlife Trust (EWT) and BirdlifeSA.

I trust that you will find this in order. Kindly confirm receipt of the documentation. Please do not hesitate to contact me at 051 444 4700 if you have any queries or concerns regarding this project. Your response with regards to the final documentation will be valued. Please take note that you have 21 days in which to make your comments on this document. The commenting period will therefore end on 13 January 2014 (period excludes December holiday).

Kind regards

Darius van Rensburg
