Dear Ms. Higgitt

SAHRIS Case ID 11784
DMR REFERENCE NO.: NCS 3-/5/1/1/2/1 (10631)MP
PROPOSED SAND MINING ON A 5HA PORTION OF THE HARTBEES RIVER, ON ERF
1768, KAKAMAS SOUTH

With reference to your email dated 6 November 2017 regarding SAHRIS Case ID 11784, please be advised that it is the intention of the Applicant to conduct a Heritage Impact Assessment as per section 38(3) of the National Heritage Resources Act, Act 25 of 1999 (NHRA), which will be undertaken as part of an Amended BAR process as per section 19(1)b of the 2017 NEMA EIA Regulations.

The Department of Mineral Resources (DMR) has granted permission for the 50 day extension in terms of this section of the NEMA Regulations due to the need to include a Heritage Impact Assessment in the Final Basic Assessment Report, which will be made available for comment for an additional 30 days.

Please refer to the attached email from DMR for your reference.

Should you have any queries please contact the undersigned.

Yours sincerely

Ms. Jennifer Barnard

Subject: Extension to submit BAR 10631MP

Dear Linda/Deidre

Due to an Phase 1 Archeological assessment now also required for sand mines refer comment from SAHRA attach the applicant Kobus Duvenhage Bouers BK would like to request for a 50 day extension period in terms of the NEMA EIA Reg 19(1)(b) to submit their final BAR/EMP on application NC30/5/1/3/2/10631MP. The deadline for the final document is currently 07 December 2017 but if the extension is granted the deadline will be 07 March 2018 taking into account the festive season.

Regards

Klaas
