Dear Sir/Madam

Re: Proposed Eskom Big Horn NDP Projects: Construction of 3x88KV power lines from Elandsdrift Substation—Middelkraal Substation, from Elandsdrift Substation-Mooi-nooi Substation and from Mooi-nooi Substation-Modderspruit Substation within the Mooi-nooi-Marikana regions in the North West Province. DEA EIA Ref #: 12/12/20/2121.

Please be informed that Eskom Distribution, Northern Region has applied for an Environmental Authorisation (EA) from the competent authority, the Department of Environmental Affairs (DEA) for the proposed activity. The proposed project involves construction of 3 new 88Kv powerlines. The proposed powerlines are as follows:

- Construction of ± 11.5 km of 88Kv powerline from the existing Middelkraal Substation to the existing Elandsdrift Substation;
- Construction of ± 11.5 km of 88Kv powerline from the existing Mooi-nooi Substation to the existing Modderspruit Substation; and
- Construction of ± 3.1 km of 88Kv powerline from the existing Elandsdrift Substation to the existing Mooi-nooi Substation.

The proposed project is located in the Mooi-nooi-Marikana Regions within the Rustenburg Local Municipality and the Madibeng Local Municipality in the North West Province. The proposed powerline routes traverse a number of farms and covers approximately 25Km in length. The proposed powerlines will be joined from the existing substations, namely;

- Mooi-nooi Substation;
- Middelkraal Substation; and
- Modderspruit Substation.
