**Subject:** Moeding Solar PV Facility - Project Database registration

Hello Rozanne,

With reference to the proposed Moeding Solar PV facility planned just south of Vryburg, as per attached public notice publish in The Stellalander newspaper on 1 August 2018.

We, as Allsolar Noordwes, wish to register as an interested party, on the project database.

Being in the renewable energy industry, we are always interested in any developments in this field, as we are very passionate about it. Our interest stems from various aspects, from pure curiosity, to being able to refer to this project as a good example of solar energy products, to promoting solar energy, to being directly or indirectly involved in this project, as a contractor or service provider, etc.

Please use the following information for registration purposes:

COMPANY: Allsolar Noordwes

CONTACT: Anita de Beer / Debra Brooks

CELL [REDACTED]

EMAIL [REDACTED]

INTEREST: 1) Direct or indirect involvement as subcontractor / service provider, 2) general interest as co-solar solution provider, 3) showcasing Moeding as good example of solar energy production in action, to promote solar energy to the general public and to raise awareness thereof.

For look forward to receiving more information about Moeding and to see the project unfold.

Regards,

Anita de Beer

**Subject:** Moeding Solar PV Facility: Notification of Basic Assessment Process

Dear Hennie,

Thank you for your telephone call this afternoon and your e-mail (at 15h56).

Moeding Solar (Pty) Ltd is proposing the development of a photovoltaic (PV) solar energy generation facility, and associated infrastructure on a site situated approximately 8km south of Vryburg. The facility is known as the Moeding Solar PV Facility and will be located within the Naledi Local Municipality and within the greater Dr Ruth Segomotsi Mompati District Municipality in the North West Province. The project site is also located within Zone 6 of the Renewable Energy Development Zones (REDZ), which is known as the Vryburg REDZ.

Savannah Environmental has been appointed to undertake the Basic Assessment Process for the Moeding Solar PV Facility.

Please find attached the Background Information Document that will provide Vodacom with information regarding this proposed development and the Basic Assessment and Public Participation Process.

A KML file depicting the location of the Vodacom tower is also attached.

Please do not hesitate to contact us should you require any additional information at this stage
